FOREWORD

It is our purpose in this, the 1937 JAMBALAYA, to celebrate the Golden Anniversary of the H. Sophie Newcomb College for Women. Founded as a memorial for her beloved daughter, Harriott Sophie, by Mrs. Josephine Louise Newcomb, Newcomb has for 50 years been a major part of the University and a dominant figure in Southern education. If we have embodied in tangible form something of the history and spirit that is Newcomb's, our aim has been accomplished, and we will consider this volume a success.
In recognition of her outstanding contributions to student life, on this, the Golden Anniversary of Newcomb College, we are proud to dedicate the forty-second volume of the *Jambalaya* to one, who more than any other, typifies the spirit of Newcomb.

In the year 1887 Dr. Brandt V. B. Dixon records, in his history of Newcomb, meeting with the members of the board to draw up the first "Announcement or Prospectus of the New Institution." Thus the first definite step of the memorial to Harriott Sophie Newcomb was taken.

*Resigned on July 7, 1936.
The vicissitudes of life frequently entail the separation of families and close friends. With new environments and different conditions, in time the close friendships of our college days are apt to become memories which we, however, always treasure.

The session of 1936-1937 has been memorable for two outstanding events, both in the nature of commemorative exercises. The College of Law celebrated the 100th anniversary of the death of Edward Livingston, that adopted son of Louisiana who laid the foundation of our Louisiana Civil Code. At this celebration honorary degrees were conferred upon three outstanding members of the legal profession.

Newcomb College is now celebrating the Fiftieth Anniversary of its founding as a memorial to H. Sophie Newcomb, the beloved daughter of the founder, Josephine Louise Newcomb. Of special significance at this important event, were the conferring of an honorary degree on a woman distinguished in the medical profession and the touching address of Dr. B. V. B. Dixon, the first and only president of Newcomb College.

These and other important events in the life of our university are recorded both in pictures and words in the pages of this Jambala, which when opened in the years to come will make us relive a year of our campus life, and I sincerely trust will bring back to you only happy recollections.

ROBERT L. MENUET, Acting President.
In its 1936-1937 session, Tulane University completed another memorable chapter in its enviable history. During the 103 years of its existence, Tulane has ascended to the pinnacle of educational institutions in this country.

Under the efficient direction of the newly appointed Acting President, Robert L. Menue, not only were 39 new members admitted to the faculty and the enrollment increased by 10 per cent, but the physical plant of the University has been immensely improved. An academic dormitory at the rear of the campus has been remodeled into the new Social Science Building which houses the School of Social Work and the departments of economics, history, journalism, political science, psychology and sociology. The facilities of the College of Law have been expanded in Dinwiddie Hall, formerly the new Science Building, as have those of the Departments of Geology and of Botany and Zoology.

The 1936-1937 session has marked the celebration of the 50th Anniversary of the H. Sophie Newcomb College of Tulane University. Wednesday, December 16, 1936 was celebrated as memorial day for Harriott Sophie Newcomb, daughter of the founder. Among the celebrities who delivered speeches at Dixon Hall the evenings of December 14-16 for the official anniversary celebration were: Dr. Alice Hamilton, professor emeritus of the Harvard Med-
ical School; Mr. Thomas Craven, famous art critic and lecturer; and Dr. Brant V. B. Dixon, president emeritus of Newcomb. The semi-centennial committee, adeptly supervised by Miss Anna E. Many, provided many other delightful festivities, among which were a buffet luncheon in honor of the professors emeriti of Newcomb College and a half-hour program over radio station WSMB.

On the College of Law were focused the eyes of the legal profession when it launched the Tulane Livingston Centennial, October 27-31, commemorating the 100th year since the death of Edward Livingston. Mr. Livingston, legal scholar, writer and statesman, was responsible for Louisiana's maintenance of her Civil Code. Dean Emeritus Roscoe Pound of the Harvard Law School spoke on each of the four evening programs, October 27-30, in Dixon Hall. The audience marveled at his rare memory, inasmuch as his delivery was complete without the use of notes. His lectures were of such a nature as to be intelligible and extremely interesting to the many non-legal members of his audience. Another tribute to the prominence of Tulane University's College of Law and to its worthy commemoration was the presence of Associate Justice Henry T. Lummus of the Supreme Court of Massachusetts. Justice Lummus spoke on two occasions, the morning of October 31 and the same night at
a dinner in honor of Dr. Pound. The evening of October 30, the College of Law awarded honorary doctorates to Dr. Pound, Associate Justice Lummus and Ralph J. Schwarz, a prominent local attorney. Not only did the commemoration afford the students of the University an excellent opportunity to reflect upon the immortal words of Edward Livingston, but also to give ear to the "greatest legal genius of modern times"—Dr. Pound.

Another noteworthy advancement during the 1936-1937 session was the enlargement and increased repertoire of the three main musical organizations of the University—The Tulane Band, The Tulane Glee Club, and The Newcomb Glee Club, each of which is under the able direction of Maynard Klein. The Tulane Band, having more than doubled itself in size, now consists of 92 newly uniformed men. The Tulane Glee Club, possessing a repertoire which would permit it to sing a capella choral music one evening and negro spirituals the next, has evolved into an organization of 60 highly trained male voices. The Newcomb Glee Club has more than upheld the worthy precedent which it has set during the many years of its existence. Each of these organizations has performed a complete schedule of concerts and has been heard several times over the various radio stations of New Orleans. When the Tulane and Newcomb Glee Clubs,
accompanied by the Tulane Band, sang the University’s Alma Mater during the half at the Homecoming Football Game, the onlookers beheld the finest spectacle ever before witnessed at such an observance.

Mention here must be made of the tremendous increase in the display of school spirit. Several bonfires followed by parades did much to amplify the Tulane and Newcomb cheering sections at the various athletic events. The Tulane Gym was filled to capacity for all the basketball games and boxing matches. It is our belief that such moral support did much to accentuate the extremely successful athletic teams which the University enjoyed during its 103rd year.

Space does not permit further enumeration of the many highlights of the 1936-1937 session. The editors sincerely trust that this brief outline will call forth the entirety of a signal year, during which Tulane University has maintained its status as one of the finest centers for educational enlightenment.

On February 24, 1937, the Board of Administrators announced the election of Dean Rufus Carlton Harris, A.B., LL.B., Juris.D., LL.D., of the College of Law as President of the University, effective June 9, 1937. Paul William Brosman, A.B., LL.B., J.S.D., was elected to succeed Dean Harris in the College of Law.

**A Tribute**

It is our intention to start the tradition of honoring each year some prominent alumnus of the University. There could be no more fitting person than Dr. Matas to inaugurate this custom. Dr. Matas, in our estimation, more than any other graduate, embodies the ideals of the Tulane Medical School. His achievements in both his professional and personal life are high marks that should be the goal of every medical student. May some of them rise to equal fame.

Activities on the Campus
Based on pure democratic principles and sound in theory and practice, Tulane’s system of student government has served its constituents for 22 years.

The system has been steadily improved and adapted to changing conditions and now operates under the Constitution of The Associated Students of The Tulane University of Louisiana, adopted in 1933.

The present constitution provides for the administration of student affairs by a Student Council, comprised of six members elected annually by popular vote from the various student bodies of the University, and a Graduate Manager of Student Activities, employed by the Council to provide continuity and insure businesslike conduct of student affairs.

Members of the 1936-37 Student Council are Wiltz C. Ott, President, representing the Colleges of Arts and Sciences; Herman F. Flowers, Vice-President, College of Commerce; Charles D. Marshall, Secretary, College of Law; Robert P. Lockett, College of Engineering; Joseph W. Weaver, School of Medicine; and Leila S. Werlein, Newcomb College.

J. H. Randolph Feltus, LL.B., is Graduate Manager of Student Activities, having succeeded Calvert G. deColigny, B.B.A., in March, 1935. Ann Pendergast succeeded Arlene Zink Martin, B.A., in November, 1936, as secretary to the Graduate Manager.

The Student Council functions as a board of directors in student business affairs, meeting bi-weekly to consider problems of administration and policy, assisted by the advice of the Graduate Manager.

The constitution provides that the Graduate Manager shall act as agent for the Council in all matters, act in an advisory capacity to all students and extra-curricular organizations on the campus, follow directions of the Council, keep all records and accounts of financial transactions of all organizations and activities drawing funds from the student fee, and provide for the establishment annually of a calendar to contain all important activity dates.

The student fee, compulsorily paid at registration by undergraduates in all departments other than Newcomb College, supports financially most of the student activities, including, in part, the publications. The aggregate fees exceeded $16,000.00 in 1936-37 and an additional $15,000.00 was also handled through the Student Activities Office. Accurate records are kept relative to these funds and the accounts are audited by the University auditors annually.

As a prominent educator once said:
"A university can grow no faster than the loving ambition of its sons and daughters. Its successful work may attract admiration. It will enlist friends. But the driving wheel of steady progress is the enthusiastic, untiring ambition of its Alumni."

It is the endeavour of this Association to provide for the University an organized body of alumni which will further all university interests and serve as a means of expression for Alumni who are interested in the forward progress of their Alma Mater.

Alumni Clubs have been formed in various sections of the United States which provide a source of contacts for the young alumni, a continuing connection with the affairs of the University and prospective students through the prestige of their membership.

Membership in the Association is open to all graduates and ex-students of the University. All loyal Tulaneans are urged to become members either through the Annual, Life Membership or Bequest Insurance Plan.

The Bequest Insurance Plan has been in operation for a short period of time. It is designed to provide a means whereby an alumnus can aid his University without placing any financial burden upon himself or his estate. A representative of the Association will fully explain the details of the Bequest Insurance Plan to the Graduating Class.

Your "Class Agent" has or will explain more fully the benefits to be derived from your membership and participation in the activities of the Alumni Association.
The Tulane University Rooters' Klub was formed at the University for the purpose of furthering school spirit. Membership in the Klub is limited to fifty students, and is granted only to those students elected to the presidency in the Freshman and Sophomore classes, campus leaders, and outstanding students of merit.

During the current football season the Klub carried out, very successfully, card displays at the major games. Besides sponsoring these displays, the Klub also aids in pep meetings and the selection of cheerleaders. Another important function of this group is the meeting and extending of welcome to all visiting teams, thus forming closer relationship between the rival student bodies and universities. In this way, the Tulane University Rooters' Klub have attained an important and secure position on the campus.
The Tulane "Hullabaloo" is the official weekly publication of the student body of Tulane University. Written and financed entirely by students, under the direction of an editor and business manager appointed by a Publications Board created by the Student Body constitution, its objectives are: first, complete coverage of campus news; second, impartial expression of student opinion; and, third, documentation of the history of the University it serves.

How well the paper fulfilled these purposes, only the opinion of the students and the judgment of the future can tell. However, the 1936-37 staff retires with its major ambition for "The Hullabaloo" yet unachieved. The University needs and can support a semi-weekly publication, but the duty of effecting this innovation unfortunately devolves on succeeding staffs.

This marked the 32nd year of "The Hullabaloo." An important innovation of the year, however, was the appearance of a monthly literary magazine supplement to "The Hullabaloo." The outgoing staff feels that this new publication fills a definite need on the campus for the expression of faculty and student literary tendencies. Our ultimate hope is that it may become a self-supporting, independent publication of and by the students of the University.

Much credit for all that "The Hullabaloo" was, or might have been, rests of necessity with the business staff, which provided a major portion of the paper's income. Our appreciation is also expressed to the students of the department of journalism for valuable assistance rendered in providing proper coverage in the field of campus news and features.

In this, the forty-second volume of the "Jambalaya," the editorial staff is proud to be able to celebrate the Fiftieth Anniversary of H. Sophie Newcomb Memorial College. It has been our effort to portray the history of Newcomb as well as the past year's events throughout the University in a natural and interesting manner. We sincerely hope that our purpose has been achieved and that this "Jambalaya" will be a record to bring back fond memories in future years.

Throughout the past years the business staff of the "Jambalaya" has been able to maintain a sound and solvent financial basis for the book under the guidance and supervision of the Graduate Manager of Student Activities. Part of the expenses incurred in publishing this volume are taken care of by the annual allotment from the student fund, but the major portion is realized from selling fraternity and organization pages and advertisements.

The editor-in-chief and the business manager are selected from the staff by the Publication Board. Seniority on the staff, quality of work and the general scholastic average of the student are taken into consideration by the Board in making its appointments. Other positions are named by the respective heads of the staffs.

TULANE LAW REVIEW

The TULANE LAW REVIEW is a legal periodical, published by the faculty and students of the Tulane College of Law. It is a quarterly devoted primarily to civil law, comparative law, and statutory interpretation.

The Board of Editors is composed of junior and senior students attaining the highest scholastic honors in the College of Law. They are assisted by a Board of Alumni Editors, a Board of Advisory Editors and a staff of Contributing Editors, who represent the highest type of lawyers and legal scholars in Louisiana and throughout the world.

The opportunities for free discussion of current legal problems, for scholarly research, and for expository writing based upon statutory interpretation, analysis of decision, and synthesis of doctrine, are invaluable to the serious law student who wishes to ground himself in the principles of juristic thought and expression. The Board of Editors pride themselves upon their use of the comparative method, believing that to reveal the praiseworthy qualities as well as the shortcomings of different systems of law and of judicial technique is an effective check upon the tendency to accept any one system as just and immutable. This method is of particular importance in Louisiana, where the civil and common law have long vied in a struggle for preeminence.

Since its foundation in 1929, as the successor to the SOUTHERN LAW QUARTERLY, the TULANE LAW REVIEW has gained prominence both in the United States and abroad as a leading journal of civil and comparative law.

Although most of the student material published in the TULANE LAW REVIEW is written by members of the Board of Editors, articles are selected solely upon the basis of merit. The pages of the REVIEW are open to all contributions that meet its standards of scholarship, research, and expression.

The Moot Court system in the College of Law is especially designed to train students in the preparation and argument of cases. Technical training in research, brief-writing and forensics—ordinary tools in the trade of a lawyer—form the foundation of the moot court work, but the system gives in addition an even higher type of training.

The moot court rule abolishes the system of precedents and compels argument of cases on their merits. The student must weigh the social factors and must concentrate upon the functioning of the rule of law. This freedom makes the moot court an excellent laboratory for the testing and comparison of the older theories that the law is deductive, formal, and arbitrary, with the newer theory that the judge exercises a directive force to make law conform to social needs.

The Moot Court Competition at Tulane was patterned after that of the Ames Competition at Harvard. Originally the club system of competition was used, but in order to encourage individual participation and incite a keener competitive spirit, a system of team competition was inaugurated three years ago. During the current year, the Board of Advisers has extended its services in framing trials for any seniors desiring them, whether in the competition or not, and further has devised a new system of scoring. The success of these innovations is attested by the keen interest and fine spirit of participants.

The entire management of the Tulane Moot Court system is committed to the above-mentioned board, consisting of second and third year students selected on the basis of scholastic standing, acting with the advice of a faculty committee. The purpose of student management is not only to attend to all details of the competition but also to develop a sense of public responsibility.

In the academic year of 1935-36, the Tulane Moot Court Competition was won by Raymond Klerr and Alvin Zander.
Realizing the need of a means of expression to compensate for the lack of a department of dramatics and public speaking in the University, a few ambitious students in 1922 combined to form a dramatic club on the campus. After hard work by students in successive years of existence, a permanent organization was established at Tulane. Today, the thriving Dramatic Guild, numbering some fifty-odd members, could hardly be recognized as having its origin in such a small beginning. The policy of this pioneering group has continued, all presentations being staged entirely by student members; they design, build and paint the sets and handle the business affairs, as well as participate in productions. The only outside aid comes from the director, who casts the performers and supervises the rehearsals. For the 1936-1937 season, the Guild was most fortunate in obtaining the services of Mr. Val Winter as director. Mr. Winter has both directed and played on the legitimate stage throughout the United States, and is best known for his performances in leading roles at Le Petit Théâtre du Vieux Carré in New Orleans, his latest vehicle being "20th Century."

This year saw the inauguration of the Radio Players, a group within the Dramatic Guild which presents monthly plays and skits over radio station WDSU. Through this medium the Guild
proper has become widely known, and it is a distinct advantage to members who do not have time to participate in full-length plays, but who are sufficiently interested in dramatics and radio work to "learn the ropes" of both without entailing too much time that might be used for study. The Radio Players have broadcast two successful plays to date, "The Battalion Invisible" and Dickens' "Christmas Carol," both of which caused much favorable comment from many sections of the country listening to the programs.

On March 29, of last year, the Dramatic Guild closed its season with a presentation of A. A. Milne's "Dover Road," a three-act comedy dealing with the eccentricities of a middle-aged English gentleman who had a yen to see everyone happy. His method of solving the marital difficulties of two couples who are stranded in his lonely home on Dover Road during a foggy night in late November will long be remembered by the small but appreciative audience who witnessed the play.

The advantages of admitting students free to Dramatic Guild productions were evidenced for the first time on December 5, 1936, when the largest audience since the unforgettable "Fogg Page" saw a polished cast open the new season with "The Intimate Strangers," under the direction of Val Winter. Mr. Winter's influence was clearly evidenced throughout the performance, as the actors moved through their roles as though created for them. A highly involved story of two young people who have been thrown together in a deserted railway station develops into a grand round of laughter and intrigue when the hero attempts to discover the heroine's age. Remarks she has made have led him to believe she is not all that she appears, and his subsequent discoveries provoke many hearty—and some sympathetic outlaws from an appreciative audience.

Distinct moves to the fore have been made in the Guild in admitting students free on presentation of their student books; combining with Newcomb Dramatic Guild; and forming the Radio Players, a group which already has proven its inestimable value though scarcely past the "baby" stage in development.

ATHLETICS AT TULANE

...and the Tulane Athletic Council

DR. WILBUR C. SMITH
Director of Athletics, is serving his sixteenth year for the university in this capacity.

Again Tulane completes her year of sports, and the name of this university has been associated with some mediocrity and a few truly great accomplishments on the playing field, court and ring. It was a year marked by one major disappointment and several outstanding successes.

On the gridiron, that famous string of early-season victories will not be soon forgotten, and will remain in the minds of the Wave's loyal football fans almost as long as the three defeats suffered by the team "surely headed for a bowl game."

In the world of tennis, Ernie Sutter made history by carrying the Olive and Blue to the National Intercollegiate Championship, while the rest of the team appeared creditably against City Park, North Carolina, and other selected teams.

Basketball failed to produce any championship, but the fighting Greenies broke through eight consecutive years of wins from L. S. U. to receive the respect of the conference at last.

A bright light in the sports calendar of 1937 was the winning of the Southeastern Conference Boxing Championship for the second consecutive time by the Wave mittteam. Consisting chiefly of Newlin, Phillips, Brocato, Monteris, Gamble, Dirmann, and Jaubert, the boxers dropped one meet to Alabama, drew one with L. S. U. and breezed through the rest victoriously.

On the cinder path, the Wavemen ended a usual track season, losing the two meets, and taking few honors. No lack of fighting spirit kept the cindermen and Fritz Oakes from a championship, but a tragic lack of good material prevented Tulane from producing a winning track team.

The freshmen footballers, in spite of not winning either of their games with Alabama or L. S. U., represent a lot of new and strange material, and should turn out a first-class first string varsity this year.

In frosh basketball, too, the boys from here and there have been doing nicely, and the work of Bodney, Jumonville, Ott, and Oelschlagler was particularly significant.

This last year was one marked by the acquirement of an old son of Tulane, and quarterback of the 1932 Rose Bowl team, Lowell P. Dawson, as head coach replacing Ted Cox.

More power to you "Red," and you, too, TULANE.

COACH LOWELL "RED" DAWSON
Did well his first year, promises much for the football future of the University.
AN ACCOUNT of the Games...

All good Tulanians and Mr. Local Football Fan in particular will remember how the 1935 Greenies wound up their season in a blaze of disaster. There was something about the number 41 (L. S. U. 41, Tulane 0); maybe it was the size, that made all Greenies glad to hang up their togs, and that rung down the curtain on Ted Cox's Tulane career.

It will also be remembered how "Red" Dawson was appointed Head Coach and how in the spring, Mr. Local Fan craned his neck to get a first glimpse of the new coach and his two brilliant young assistants, Bill Bevan and Glenn Seidel.

Mr. Fan thought the choice a good one, but ventured he, "You will have to give the lads a chance, several years perhaps. Next year will be a lean one with even worse material and a team with a morale shot by such a fierce defeat." He watched the early Wave practice and remarked that there seemed to be a lot of spirit among the boys, but doubted the outcome of the Wave’s murderous early season games. "We shall see what shall be seen," thought Mr. Fan at the opening of the season.

WHAT A DIFFERENCE A POINT MAKES!

Ole Miss came first. Ole Miss went home, its Dream of Empire shattered into bits. Tulane did it, 7-6; did it in the face of sweeping Rebel confidence and odds of 8 to 5 or 14 points.

"Bull" Andrews batters the Ole Miss forward for a needed first down.
What was the big reason? Bucky Bryan, the man who came back was the difference. What did Mr. Bryan do? He did not have a chance to play the first half, but in the second half, he only did three things—(1) threw the touchdown pass to Ralph Bond (2), made a sensational tackle in the open when Bradley was touchdown bound (3), out-averaged the great Ray Hapes from scrimmage. With all that, he was just one of a fighting band that took the play away from a bigger and more experienced eleven. Ole Miss was fast below the knees and slow above the neck and big all over. Ole Miss made more first downs, made more yardage. But with Sophomore Quarterback Ralph Bond calling them like a master, Tulane won. Why?—because it fought its heart out individually and collectively. Bill Moss was a great leader and a great player, and little Porter Tull was 170 pounds of concentrated fury out on the field that day, "Dub" Mattis, making his debut, played a stout game, as did Norman Buckner and Normal Hall, who withstood a withering fire at the center of the line.

John Andrews bronchoed into the line, and there was no end of consternation in the Rebel camp when big John ran the ends. It was a wonderful game. Ole Miss had no alibis, nor could they have been of any consequence, for joy prevailed at old Tulane, and "Gloomy Red" Dawson was smiling a great big smile.

ALL FOR NOTHING!

Even Red Dawson came through with another of his sardonic smiles, when Auburn’s mighty potent Plainsmen were bottled to a scoreless tie.

It was a bitter fight and a beautiful game. The line play on both sides of the torrid scrimmage was magnificent. "Doc" Schneidau and Fred Preissner were battling in there at end, but Auburn’s Joe Eaves and Hamp Williams were equally hard-to-handle fellows, too.

The center play was excellent. Gilbert, the incomparable, was a defensive tower in the Auburn secondary. Porter Tull played bang-up ball for the Greenies.

The game was featured by many "almost" touchdowns and by Wilton Kilgore’s famous "referee" play, in the course of which the referee couldn’t get out of Kilgore’s path and slowed up the fleet Plainsman fullback just enough for a Tulanian to drag him down from behind.

Oh!—there were breaks in the game, but nothing came of them; they were too contradictory.

Mr. Local Football Fan carved another niche into the stands beside the one he carved the week before, and in his memory he carved the name of "Doc" Schneidau, who played an All-American game that day.
AN ACCOUNT of the Games

THOSE CENTENARY GENTLEMEN FROM SHREVEPORT

Came next Saturday and "Bud" Parker's up-state company of "Cowboy" Hohmann, "Grandma" Stone, et al. These Gentlemen were fresh from a bracing 10-0 victory over Baylor's Bears, and Stone was the boy picked to prove that Tulane's effective pass defense against Auburn's twenty-one attempted passes and against everything Mississippi had to offer, was sheer luck.

"Grandma" fared no better. He tried sixteen passes, completed but five, and those were of little consequence. Stone did give the crowd a quick breath though, when on the opening kick-off, he took a lateral from Hohmann and raced to his own 45 before Bryan, the last man between him and "Journey's End" snogged him.

Tulane's forwards caught on to him quickly though, and few and far between were the occasions when the Gent ball-toters were not rudely interrupted by Miller, Schneider, Buckner, Preisser, Hall, and others.

The game marked the first time that Tulane's offense was in the spotlight and was the first real hint that Tulane was going to go places. 21-0 was the final score.
COLGATE SWAMPED!

Mr. Local Football Fan did not go to New York to see the Wave perform, but now he certainly wishes he had, pawning his ticket if necessary. He did listen to the broadcast however, and it is said that he took three aspirins when Colgate’s Raiders with the greatest of ease, early in the first quarter, ran up six points.

The fact that the Raiders still enjoyed the six-point lead when the quarter ended did not make him feel much better, but the handwriting was already on the wall before the period ended. Early in the second quarter, Tulane wound up an air attack with a pass for a touchdown. Captain Bill Moss putting the Greenies in front with a fine place-kick.

From then on the Greenies were never doubtful, and at the end of the game were just as superior as twelve first downs to Colgate’s six showed.

"Fearless Freddie" Preisser played a beautiful game, offensively and defensively, and Cameron Gamble on the other end was a wild-cat on the defense.

Noel Loftin was the boy who really went to town, however. It was his day to go and he went. He steamed through center in a most convincing manner, and, before the fourth period had hardly gotten under way, he personally drove down the field, turned a game into a rout by rattling off two touchdowns in almost as many minutes. This made that canny Scott, Andy Kerr, wonder if Minnesota would have been any tougher.

"Little Minnesota" is what the amazed New Yorkers called the Greenies, and Mr. Football Fan noted that Tulane’s football stock was soaring in the National Ratings.

Here it was, only mid-October, and Red Dawson had given Tulane an offense that matched their now nationally famous defense. Tulane had become synonymous with hard running, devastating blocking, sure tackling, and pass defending plus. The eyes of the nation were upon them. They were now properly on the spot. At any rate the conflict with the Tarheels of North Carolina next week was acclaimed the acid test, and Mr. Football Fan looked forward to the answering of two questions which still persisted, "was it luck"? and "is it really power"? After the first four minutes of play there was no longer any doubt.

TULANE 21, NORTH CAROLINA 7

Never was there a team that looked better. The same blocking that thrilled New York was in effect, and without a flaw, the powerhouse backfield of Loftin, Bryan, Mattis and Andrews, battered down the field, drew in the Tarheel pass defense and then tossed a long pass down to Schneidau who was downed but 3 yards from the well-known pay dirt.
Here Andrews behind beautiful line blocking, rifled through the hole, and there it was. "Simple, wasn't it," said Mr. Fan, and just as simple was Bill Moss' conversion.

The Tarheels stiffened at this point, and carried the conflict into Wave territory until about the middle of the third quarter, their fine work ending with a blocked punt resulting in a Tarheel touchdown. Burnett, whose kicking was splendid throughout the game, converted his ninth straight to knot the score.

Tulane then showed their mettle under fire by a brilliant comeback, and another drive down the field ended with a long pass over the goal (Bryan to Schneidau) to put the Wave in front—never to be overtaken. Shortly afterwards, the Wave was on its way again; Mattis' intercepting a pass on his own being the opening shot. A 24-yard buck by Andrews, plus several fine runs by Bond, Loftin, Bryan, and Mattis, did the work, and North Carolina, wonder team of the Southland, had been swamped.

AN OMINOUS WARNING!

Everyone was for Tulane now, even the local scribes, which in itself was enough to constitute a warning. Tulane ranked second only to Minnesota in the nation. Dawson was heralded as the best coach of the year, and Louisiana Polytech came to New Orleans with more hope than expectation.
The game upstate school brought against the Wave a fine team, and save for the Wave’s brilliant first quarter would have made the game more than interesting.

"Dub" Mattis shone in that first quarter, scoring three touchdowns behind blocking that looked phenomenal. It was powerhouse, and it seemed that La. Poly, would just be more fodder for the cannon. However, such was not the case, La. Poly, coming back with Don Darling and Don Wiley at the helm made the Wave look second rate by scoring two touchdowns and making Dawson keep his regulars in to stem the tide. They did it to the tune of 22-13, but everyone had a real score and one went home wondering if the slip-shod playing of the Wave meant anything more than that they had just let up for an easy opponent.

The game was quickly forgotten in the preparation for Alabama, and Mr. Local Fan spent the week in raking up money for the trip and in placing odd bets about the town. It was a gala day for Tulane, that day before the game. "I think we’ll lose," said Dawson; but I wonder if he meant it.

**STARS FELL FROM ALABAMA!**

Like a thunderbolt came Tulane’s touchdown. A shift to the left, a series of good blocking, a bit of speed, and Mattis was in the clear and over. And, as Moss did his almost trivial task of converting, all the country sat back and said "Ahh—those wonderful Greenies."

But now the writing becomes more difficult. The Tide began to change. It was Riley through the middle, Caldwell over tackle and the first Alabama score was chalked up.

For the first time this year, Tulane’s sure tackling was not in evidence. The Tide surged on. Kilgrow would run as if around the end, and then apparently cut off, fade back and suddenly—a pass, a long high one, and Shoemaker would stop picking flowers in the end zone where he had been for the past few moments all by himself, long enough to take it in.

The remainder is for those who like statistics and can operate the adding machine. Warren, Nisbet, and Monsky supplied the other touchdowns, and Mr. Kilgrow tacked on the units; 34-7 was the total.

Let this be said for Tulane by way of epitaph. They got all the breaks, and all of them were bad.

As for bouquets, anything that we might say regarding Bucky Bryan’s great play would merely be an echo. We will merely state that his play was All-American and a tribute to his fighting spirit.

**OUCH!**

Mr. Football Fan was dazed. "It was just one of those things," he said, "Tulane will bounce back." So he returned home, as did the host.
of Wave Alumni for Georgia University was to meet Tulane in their Homecoming celebration.

Georgia wrecked the celebration, as far as Tulane was concerned. Tulane could not get going. Their backs were still driving with the same power, but "fumbleitis" had set in, and through this medium, Georgia was handed many scoring opportunities. Georgia was passing well while Tulane's pass defense just couldn't seem to click. In the first two periods, Georgia completed passes seemingly at will, one of them for their first touchdown.

Tulane was fighting desperately, and trailing 12-0, Bryan broke loose for the most beautiful run of the game, went over left tackle, cut back in the clear, and romped 80 yards for a touchdown. The kick was incomplete, and with the score 12-6, the West side stands came to life, calling for more Georgia blood.

All loyal Tulanians will remember how close they came to getting it, another beautiful run by Bryan over the goal for a touchdown being all for naught, the referee calling him out of bounds on the 35-yard line.

That second half was a fitting climax to a dismal first half, and the general impression was that the game was a tough one to lose. It seemed as if the Wave was on a come-back in that second half, and it served to stir hope in the hearts of Tulanians that all might not yet be lost.
LITTLE TIGER!

Sewanee’s Mountain Tigers came next, and whatever hope they had of winning was promptly extinguished by a fighting Tulane eleven, struggling to get back in championship form once more. They were mercilessly beaten by the Wave to the tune of 53-6.

The victory was a very costly one however, as Bucky Bryan received in the first quarter the injury which kept him out of the L. S. U. game. Four of Tulane’s touchdowns were made on passes and four on runs. Jerry Fredrichs and Cameron Gamble were on the receiving end with Bob Dexheimer throwing most of them. Rupert Colmore, Sewanee’s All-Southern tackle, played a bang-up game. Tulane’s offense was very effective and was a good indication that the Wave would be on a return to form for the L. S. U. game.

BIG TIGER!

With the loss of “Bucky” Bryan and “Dub” Mattis, mainstays of the early season, but with the slogan “sixty minutes is not long to fight,” Tulane’s Wave went North to meet L. S. U.’s mighty Tigers in their own fair.

The Greenies, decidedly the underdog, caught the Tigers at their peak and raring to show the world exactly what they had. They swamped the Greenies, 33-0, before the largest crowd in Louisiana’s history, but the score was not indicative of the game.

The Greenies, to a man, fought with rare gameness every minute of the game. It was too much power that told the story. Bill Flowers was great, turning in his usual stellar performance. Andrews turned in the defensive game of his life, and Ray Miller and John Dirmann played as they never played before. Those fighting guards, Buckner and Hall, fought their hearts out against superior weight in the center of that Tiger line.

The first downs were 11 to 11, and Tulane gained 178 yards from scrimmage against 228 for the Tigers. The real story of the defeat, and the only department of play in which Tulane seemed lacking, was the aerial defense. The Tigers worked on the principle that it only takes one to do it, and every Tiger score was the result of a long pass or a long run and not a consistent march.

The game was an excellent one despite the score, and all Tulanians went home greatly pleased with the fight shown by the Wave and impressed by the might of the Tigers.

Thus ended a season complete with thrills and disappointments, but filled throughout with a fine display of fighting spirit. It was a season that will long be remembered as one of the most creditable in the long history of Tulane.

Training for Alabama . . .
Greeted with a squad made up of boys hailing from all over the Middle West. Freshman Coach Charlie Rucker had but three days to give them a few plays with which to combat L. S. U.'s well-drilled frosh. The Baby Bengals had one game under their belt, too, when they whipped our Ripple for the twelfth consecutive time, score 12-0.

But quite a few frosh looked very promising that day. Particularly was this true of Ralph Wenzel, a 212-pound tackle who played most of the game in L. S. U.'s backfield.

Smith’s punting in the early part of the game was a feature, and great work by Sauer and Guintard under fire of a fourth quarter losing attack stamped them as future greats.

In the only other game of their season, the Baby Billows lost to Alabama. The score was 19-13. Harold Leveson threw to left-end Pete Golomb a 30-yard pass which the Oshkosh, Wisconsin, youth carried 30 more for the first score. Leonard Sauer, outstanding star of the game ran 60 yards with an intercepted pass for the second Greenie score. Wenzel played another fine game, being pressed for honors by Mike Powell, who, along with Phil Jahncke, formed a tower of strength in the middle of the line.

Besides the aforementioned standouts, the ’37 varsity is expected to get much help from such men as Tate Ott, Kurt Oelschlager, Stan Nyhan and Bill Marohl, backs, and Millard White, Jimmy Mizel, and Manny DeFraites, linesmen.

BASKETBALL at the University

What with a Varsity which played winning basketball and a Frosh that could give the Varsity plenty of trouble, basketball this year, has come into its own at Tulane.

The Frosh competed in the Senior A. A. U. competitions for the first time in recent years, and as a result, there was action at Tulane Gym several times a week. There was a big increase in attendance and school spirit over the year before, and the Greenies rewarded their supporters by playing scrappy and interesting ball.

Striking a winning combination of two fast breaking forwards, a center that can get the jump, and two guards that do just that, Coach Ray Dauber sent a fine squad against Bama in the opening game.

Tulane showed fight and class, took an early lead, and never was headed, winning easily by a 33-21 count. Nathan Cotlar, Pete Brechtel, "Boisey" McCluskey, and Dietrich Neyland starred for the Greenies in this auspicious opening, with Cotlar, playing in his first game as first stringer, standing out. Cotlar showed a keen eye for the basket and displayed some nice floor work. He tied with Brechtel for scoring honors with nine points.

Tulane's defense was of a particularly fine calibre, "Shorty" Sneed's field goal being the only one the Tide could garner in the first half. It was only after Neyland was ejected on fouls that the Tide, led by Estes, the big center, and Shoemaker, of football fame, began to score; but Pete Brechtel's fine one-handed shots, featuring the second half, kept the Wave in front throughout.

The second game of the series was a nip and tuck affair which kept the stands on their feet throughout. 'Bama evened the series in this encounter, 28-27. A belated Tulane rally just barely fell short.

The Greenies leaped to an early lead, and their defense, which seemed even more impenetrable than that displayed the evening before, held the Tidesmen at bay for a short while. However, Bama was not to be denied, and while the Greenies were missing a number of crisp shots, Alabama overcame the lead and was ahead at the half by 18-12.

The Wave's offense, though not as effective as in the previous game, was still characterized by fast breaking and nice floor work. Pete Brechtel and Nathan Cotlar again led the Greenie scorers, this time sinking eight points apiece. Pete broke for the basket nicely, his left-handed shots counting four times, and "Longboy" Neyland played a fine center game, the big boy showing plenty of hustle and a fine brand of guarding.

Captain McCluskey and "Huck" Lockett gave the Tide forwards plenty of trouble and it was "Boisey" who barely missed a long shot just as the game ended with the Tide one point behind. The series showed that, without a doubt, the Wave was going to be no walk-away for anyone's team.

Sore at losing this game, the Greenies went to Oxford to engage Ole Miss in two games. Sneaking out in fine style at the opening of the first game, the Wave scored 18 points in the first half to the Rebels' 13, and seemed headed for a sure win. However, the Rebels came back strongly to place the score at 25-23 a few moments before the final gun. A fine side-court shot by Layden tied the score for the Rebels, and the game went into an extra period. In the extra period, the Greenies got rattled, and the Mississipians capitalized on the Wave's mistakes. Result: 26-31.
In the second encounter, the Mississippians were in fine form during the entire contest, and the Greenies, playing raggedly, were unable at any time to approach them. Poor shooting was again the predominant factor in the defeat, but the Greenies were a game bunch of boys at all times, and it must be remembered that Ole Miss has probably the winning team in the Southeastern this year. Captain "Boisey" McCloskey led the Greenies and appeared the firey little spark-plug as much as ever. The score was 43-35.

GREENIES TAKE S. L. I., 37-30

Rompng over the Southwestern Louisiana quintet, the Greenie basketmen scored their third victory of the season, and looming as a possible contender for conference honors, they won, 37-30.

The second stringers, composed of Carrere, Gorman, Ericson, Ray, and others, played a large part of the game, but it was chiefly Cotlar and McCloskey who put on the steam when it was necessary, and provided the winning margin.

WAVE WINS OVER TECH

Tulane continued to breeze through their next opponent, the Louisiana Tech from Ruston, winning handily by the score of 44-25. Tulane seemed out for blood, and the crowd was greatly pleased by the roughness of the game. However, in spite of the rough work, the Greenies showed some improvement over their earlier games, especially in passing and shooting. Neyland showed himself to advantage at center and Lockett played a fine, fast game at guard.

WAVE TAKES ONE, DROPS ONE TO KENTUCKY

Midgets beside a giant team from the Blue Grass country, the fighting Greenies came through the first game of the two-game series to win, 35-28, but dropped the second to the tune of 25-28.

Led by the little firebrand captain and supported by "Huck" Lockett, the diminutive Wave fought hard all the way to the last gun.
TIGERS TAKE WAVE TWICE AGAIN

Journeying up to Tigertown, the basketeers dropped two in a row again to the State team, in spite of the truly fine defense work of "Skyline" Neyland, Wave hard running center.

In the first encounter, the Tigers took an early lead and held it throughout the whole of the game, the Greenies never coming within striking distance of the Bengals' wide margin, but in the second, good shooting and clever passwork by Nathan Cotlar and Pete Brechtel almost put the game on ice for the Wave, in spite of the mystifying rez-daz of the Tigers, which finally won out in the end. The first night the Greenies went down, 31-42, and 42-45, the second.

GREENIES DRAW WITH MISS. STATE

In one of the roughest games of the year, the basket quintet was knocked down by Miss. State, 29-36, to come back the next night, 41-29. The first night's game was marked by several ejections on fouls on the part of the Tulanians, and the second was almost as rough. Of particular notice in the two-game series was Neyland's tip-offs and Captain Boisey's fancy distance shots.

L. S. U. FALLS AFTER 5 YEARS

Playing raggedly the first night, and frequently throwing the ball away, the quintet dropped the first game of the last two to the State team, in spite of frantic efforts on the part of Cotlar and Brechtel.

With a "do-or-die" attitude in his last collegiate game, Captain "Boisey" McCloskey led his pack of Greenies on the Tigers with undiminishing fury, and assisted by "Huck" Lockett, also in his last game, took the Bengals for a ride for the whole of the game. Score, 31-37.

"Skyline" Neyland secured the tap nine times out of ten, and his hard fighting teammates put it to good use, beating the Tigers for the first time in more than five years.

Ray Deuber, giving birth to his first public smile, watched his boys romp down the court, making up for any previous losses during the season. In fine form, but completely dumbfounded, the Tigers watched interestedly while Cotlar, Lockett and McCloskey sank goal after goal.

This was truly a fine ending of a mediocre season. Tulane, 52; Louisiana State, 32.
SOUTHEASTERN CHAMPS

In the first defense of their Conference championship won last year, Tulane's boxers whipped Florida, 4 1-2 to 3 1-2.

Florida got off to an early lead when L. S. Rentz soundly whipped Irwin Crais, and Roy Echols kung a one-round kayo on Louis Philips. Billy Harris put the Greenies back into the fight by nosing out a decision over Larry Semmens, the Gator captain, and Dick Keenan's draw with Jack Lang made the score 2 1-2 to 1 1-2 at the intermission.

George Manteris' win placed us even again, but only for the time that it took Florida's Steve O'Connell to decision Calvin Benedict. The old reliable Champ Gamble came through, however, to soundly trounce Ernest Lorenzo, tie the score, and set the stage for Tulane's sophomore, Warren Jaubert, to take Roland Schindler and the match. It was Jaubert's first fight, and he looked very promising.

GREENIES TROUNCE OLE MISS 5-3

Floyd Newlin, making his 1937 debut, scored a sensational victory over the highly touted Marshall Goldberg. Maroun's successor stepped inside the Rebel's left hooks with sharp rights to score repeatedly and win easily. Rey Medlock evened it up by stopping Claude Cullinan in one heat, and Johnny Farese outslugged Tulane's Billy Peak to gain a close decision and give Ole Miss a 2-1 lead. It was shortlived, though, as George Manteris won over Johnny Cook to tie it up again.

Bucky Bryan suffered his first loss at the hands of Steve Wilkerson. Popular as ever, even in defeat, Bucky fought hard all the way only to bow to a superior boxer who kept on top of him, refused to let him get set, and met his rushes with a stream of jabs from an educated left which kept Bucky off balance throughout. Wilkerson looked like the best the S. E. Conference has produced in a long time.

Calvin Benedict fought a smart fight to take over Bill Robinson and tie up the score again. Much smaller than his foe, Benny slipped the big boy's jabs and scored with heavy rights to the body which had Robinson hanging on at the bell. Cameron Gamble looked his best in technically kayoing Clarence Forbes with one stiff right to the head in the first round.
Warren Jaubert made it 5-3 by scoring a sensational victory over Clarence "Big" Hapes. Jaubert showed exceptional speed and stamina, and the fact that he had Hapes on the verge of a knockout in the last round showed his punching power.

All in all, the match was probably the best in the history of Tulane boxing. The crowd was large, and the fights so good that, judging from subsequent results, the Ole Miss Match can go down as marking a new trend in intercollegiate boxing—certainly in the South.

**TULANE BEATS MISSISSIPPI STATE 7-1**

Carl Inman and Cameron Gamble were more the topic of conversation than the other fights and matches put together, so we treat their battle first. There was greater diversity of opinion over the decision in favor of Gamble than in any college fight in years. All agreed, however, that it was a grand fight in which Gamble gambled his straight right against Inman's left hook, and won, in a close decision.

It took just so sensational a fight to overshadow the one between conference champ Moon Mullins and Jaubert. A good right hand floored Warren early in the first round for a nine count, but he not only got up to carry the fight to Mullins the rest of the match, but had things all his own way in the last round. Mullins' early lead was too great to be overcome, however.

All the other Greenies, Newlin, Harris, Brocato, Keenan, Bryan (by default), and Dirmann won their fights handily, Harris fighting best in trouncing the good Brent Murray.

**WAVE BOWS TO ALABAMA AT ALABAMA 6-2**

Joe Brocato won his fight and actually got the decision, as did Jaubert for his forfeited victory. Reports out of Alabama said the decision against Manteris was unfair, and similar things were heard about the verdicts against Phillips, particularly, and Dirmann. Gamble lost his first one to Paul Cusimano, Newlin to Jerry Burke, and Bryan bowed to Cy Canzoneri.
L. S. U. AND TULANE BREAK EVEN 4-4

Newlin fought a courageous third round to overcome some of Joe Gersack's heeling, elbowing and other foul tactics and earn a draw in the first of the heated matches. But Louis Phillips got only the worst of it when given a draw with Ed Ketcham. Most of the local newspapers and a majority of the crowd thought Phillips' left hand had piled up a safe margin of victory. But they KNEW that Brocato had won the fight he wasn't given, and hence put on the now celebrated quarter-hour bronx cheer that was quieted only by Coach Monk Simons' appeal to act gentlemanly. Monk urged the crowd to keep the peace even "if we've got to fight for it," which is what Monk did immediately after leaving the ring at the conclusion of his appeal to stop the Coliseum tactics.

George Manteris fought a great, if losing, fight against the Bengal Bomber, Fred O'Banion. George had the bomber on the verge of exploding when he gave out in the third round and blew a good lead. Bucky Bryan did a comeback in whipping Chester Carville, but Johnny Dirmann kissed the canvas three times before they stopped his fight with J. L. Golson in the first round. Gamble came through with a well-earned decision over Jim Riseden and Jaubert stopped L. S. U.'s Mr. Baur in the first to tie up the affair.
Dick Keenan catches the Florida welter, Jack Long, in the body.

SOUTHEASTERN CONFERENCE

For the second time in the two years that Claude "Monk" Simons has been at the helm, the Greenie boxers won the conference title. The tournament was held in the Tulane gym March 5 and 6.

Joe Brocato successfully defended the lightweight title he had won in 1936, and Champ Gamble still answers to that name, although this year he moved up a notch to take the light-heavyweight crown. Added to the ten points gathered by these boys were the six earned by runners-up Louis Philips and Warren Jaubert. The great comeback by Philips and the rapid rise of Jaubert speak well of Coach Simons' fine coaching job.

George Mantesis, the other returning champ from '36, was eliminated in a first round bout by Florida's Mr. Long, who went on to the welter title. Floyd Newlin, Bucky Bryan and Johnny Dirmann were all eliminated in the semi-finals, the conquerers of Newlin and Bryan going on to the title in their respective classes.
TRACK AND FIELD

Hampered by lack of material and apparent lack of enthusiasm amongst the student body in general, Coach Fritz Oakes' track team made, none-the-less, a very creditable showing.

The early season featured especially the fine work of Captain Howard K. Smith. He repeatedly out-hurled everything in these parts and was rewarded for his efforts by a trip to the Texas Relays in Austin. Here he reached the finals, only to bow to such "names" hurdlers as Sam Allen of Oklahoma Baptist and All-American Bill Wallace of Rice. The next week, however, he came back in the Southwestern Relays to cop first place in his specialty. A touch of grippé weakened him for the Alabama meet and, though leading most of the way, his strength gave way at the three-quarter mark and he finished second, for the third time in their three meetings, to Slim Edwards. But after winning his specialty against L. S. U. a week later, he came back in the Southeastern Conference meet at Birmingham to beat his thrice-conqueror, Mr. Edwards, and finish but four yards behind the sensational Forrest "Spec" Towns, whom he pressed that day to a 14.1-second performance.

Smith's comeback was typical of the whole team. In the first meet of their season, at Lafayette, a team of Harry Dart, Jimmy Davis, H. M. Waugh and Bill Henderson won the 440-yard relay, finishing second in the half-mile. The mile relayers, Billy Payne, Bob Lockett, Frank Lewis and Hugh Payne, finished second to Southwestern.

A month later, in the only local meet with a conference foe, Tulane bowed humbly to Alabama, score 72-45. Of fifteen events, the Greenthies won four and tied in another. Stanley Lodriques vaulted 12 feet 3 inches to get a tie with Alabama's Bill Sheridan, and Henderson, Billy Payne, Ray Nussbaum and Nellie White won, respectively, the 220-yard dash, the low hurdles, the discus throw, and the broad jump. Nussbaum also took a second place in the shot, as did Sam Freese, with 173 feet, in the javelin, Bill Nichols in the high jump. Jim Mooney in the mile, Lockett in the half, and Bill Monroe in the two-mile run.

L. S. U. beat us a week later by almost an identical score, 73 to 44. Billy Payne ran a good quarter to beat Treadaway of L. S. U. for one of our three first places. Smith won the highs for another, and Noel Loftin supplied the day's biggest feature by tossing the javelin 176 feet 4 inches to beat the conference favorite, Stevens. Noel had just taken a day off from spring football practice to step out as a track star, and added a second place in the high hurdles to boot. "Rabbit" Henderson ran two very good seconds in both sprints, and finished third in the broad jump in which "Nellie" White placed. The only other second was taken by Bill Nichols in the high jump.

The lone team victory came in the last meet of the

season, when, paced by Nellie White and Billy Payne, Tulane won the Junior Southern A. A. U. championship. White covered 45 feet 7 1/2 inches to take down top honors in the hop, step, jump, and added three more points with a second place in the broad jump. Payne, running the 400-meter hurdles for the second time in his career, clipped 4.7 seconds off the record of 60.4 seconds, but his time was not allowed because of his having knocked over two hurdles. A third place in the 200-meter lows concluded Billy's point gathering for the day.

George Kohl brought in five points with a second place in the 200-meter hurdles and a tie for second in the high jump. Ray Nussbaum's second in the discus throw and fourth in the shot netted four more points toward the Greenie total of 55 1-2, which was good enough to insure a five-point winning margin over the North Texas Teachers College. Five other second places clinched the title, however. Most sensational among these was Tom Payne's exciting 400-meter dash in which he lost by a hair's breadth to Loyola's Fred Generos in the excellent time of 49.5 seconds. Noel Loftin, J. Knight, Stan Lodrigues, and A. M. Waugh were the others who placed. A fourth in the discus and a third in the javelin accounted for Sam Freese's contribution of three points.

Two-point winners were Bill Kirchem and Frank Lewis, each showing in hurdle races, Hayward Vincent, third in the pole vault, and Henderson, with two fourth places in the sprints. Sam Barthe, Craig Roth and Bill Monroe added one point apiece with various fourth places, and Einar Pedersen tacked on the half-point by sharing a fourth place in the pole vault.

The next day, Saturday, May 23, five Tulanians won places in the Senior A. A. U. Olympic Tryouts. Captain Howard Smith, running a 14.5-second race was fourth in another of Town's record performances. George Kohl won the 200-meter hurdles in a race which found Freshman Sam Barthe finishing fourth. The Payne brothers, Billy and Tom, took down second and third places, in the 400-meter hurdles and 400-meter dash, respectively. Billy ran second only to the Olympic champion, Slats Hardin.
"Shorty" Henderson loses a close one in the 220-dash against L. S. U.

FRESHMAN Track Team

In fellows like Tom Payne, Bill Kirchem, Sam Barthe, Craig Roth and George Kohl, Coach Oakes had his best frosh material in recent years. Kohl, a transfer student, is among the best hurdlers in the South, as can be witnessed by his winning the 220 lows in the Olympic Tryouts. Tom Payne looms as the greatest quarter-miler in Tulane's recent track history. The mile relay team of Roth, Barthe, Kirchem, and Payne shattered the record for the event at the Southwestern Relays at Lafayette, and later beat the Greenie varsity team in a special race. Kirchem and Barthe also showed promise in the hurdles, as did Einar Pedersen in the vault. Joe Hogan and Ainsworth Jordy in the high jump, Bill Monroe in the distance runs, and Percy Stakelum in the sprints.

Others on the 1936 Freshman Track Team included: Paul H. Ramos, Oliver K. Bierhorst, and Ruland Gerth. From this promising group of freshmen, Coach Oakes should be able to obtain some excellent men for the 1937 Varsity.
The '36 Greenie Golf Team sorely missed the services of Bobby Monsted and Pinky Olivier and others, who were lost to the Wave because of graduation. Despite constant attempts on the part of Coach Simmons to unearth some golfing talent, he was unable to acquire a sufficient quantity or quality around which to build a team that could win victories.

Various men tried out and two matches were played, one with L. S. U. and the other with Louisiana Polytechnic Institute, but in both matches the Greenie entrants were unsuccessful. Two men went to the playoff in Georgia, but neither got very far.

However, George Turpie, the well-known New Orleans golfer, will take over the reins of the team this year, and the presence on the squad of Vincent D'Antoni, who was city champion last year, and Ray Salmen, who is of considerable ability himself, should furnish a nucleus about which to develop a team that should really go places. Here's hoping we are entering upon a new golfing era at Tulane, where golf will take its place along with Tennis as being right down Tulane's line.
Not to be outdone by the academic branch of the University, Tulane’s 1936 tennis team carried on a tradition of its own by entering the first captaincy of the third of the tennis-playing Sutters—Ernie. This was Coach Emmett Paré’s third Green team.

The Wave net team, under Paré’s and Sutter’s leadership, took on the toughest schedule yet attempted, starting with a pre-season tilt against the City Park Club. Ernie Sutter and George Wimberly were responsible for the even showing the Greenies made against a rather tough aggregation. Abbie Norwood teamed with Ernie to take the No. 1 doubles match, cinching a tie for Tulane.

The Greenies slipped in the second warm-up, the New Orleans Lawn Tennis Club, ending up in one of the two defeats of the season. Sutter won his singles match and again with Abbie Norwood won a doubles encounter. These were the only two Tulane scores. The freshmen, however, showing considerable class got revenge soon after by beating the same team by the same score. Cheng, Westerfield and Abrams, who have since made their marks as varsity material, accounted for the singles wins, with Cheng and Westerfield winning over Warren Doyle and Dan Murray, Tulane alumni.

The first match of the regular season against Louisiana Normal put the Greenies in the win column. Sutter coasted through his match with McLean and teamed with
Norwood for their third successive doubles win. Doyle, Phelps, and Wimberly played consistent tennis to make it four out of four in the singles and a 5-1 win for the match.

Alabama's Crimson Tide gave the Greenies a little more trouble, but not much. The Tide finished second best in a 4-2 score. Sutter, Doyle, and Wimberly all bested their opponents in close sets. The team of Sutter and Doyle, playing together for the first time won 6-3, 6-2.

Furman offered very little opposition and won only fourteen games in their twelve sets. Thorn made his first appearance this year by turning back Hollowell 6-3, 6-1. Donald Doyle, Red Wimberly and Phelps won easily. Thorn and Sutter took the doubles.

With three wins and no defeats to their credit the team took to the road to engage Rice and Texas in a three-day jaunt. Rice played good tennis before finally losing 4-2. Sutter took Eddie Holden 6-1, 6-2, and Doyle and John Thorn count wins Lorimer and Lederer, respectively. Sutter and Thorn lost their first double match to Cambell and Holdon 6-2, 6-3 while Lorimer and Lederer were losing to Doyle and Phelps.

The Texas match was perhaps the most interesting of all the matches on the Wave schedule. The Longhorns proved to be a well-balanced team and administered the only defeat of the regular season 4-2. Sutter continued his fine play by taking the measure of Weller 3-6, 6-2, 6-2. Walthall beat Doyle in the No. 2 singles 6-2, 6-4. Peace beat Phelps 6-0, 6-3, and Smalley beat Thorn 6-3, 6-0. In the doubles matches Sutter and Thorn beat Weller and Peace 4-6, 7-5, 6-4, Walthall and Smalley of Texas vs. Doyle and Phelps of Tulane was won by the Texans 6-2, 6-1.

L. S. U., which was the last team scheduled, seemed to get the full effect of the Waves' comeback campaign. Tulane showed no mercy in taking the Tigers by the score of seven matches to none. Sutter beat Robinson 6-0, 6-1 and Thorn and Doyle beat Ketcham and Sievers 6-0, 7-5, and 6-4, respectively. Phelps beat Collins 6-4, 4-6, 6-4, and Wimberly annexed the only other singles match by outplaying Sanders 6-1, 2-6, 6-4. In the doubles matches Sutter and Thorn beat Sievers and Collins 8-6, 6-0, and Norwood and Doyle beat Ketcham and Sanders 6-4, 7-5.

In the Southern Intercollegiate Championship matches which were held here last May, Tulane won the singles championship because of Ernie Sutter. Bill Byrd of Texas, who was Sutter's opponent in the finals, played fine tennis all through the tournament, but could not survive the steadiness and perfection of Sutter's play. The score was 1-6, 8-6, 6-3, 7-5. In the doubles Sutter and Thorn played their consistently good game but lost in the finals to Burz Boulware and A. F. Morrell of Georgia Tech 6-1, 5-7, 7-5, 6-3.

Not content with the one championship, Sutter met Ramsey Potts in the National Intercollegiates and after a hard match finally won over the North Carolina boy. Later in the year Potts came to New Orleans and again played Ernie but fared little better as he again was beaten. This conclusively ranked Sutter tops in the intercollegiate ranks.
The field of activity enjoying the greatest popularity at Tulane is intramural sports. Under this classification, are the inter-fraternity, the inter-class, and the inter-school competitions, all of them being under the general direction of Fritz Oakes.

These games are valuable in that they provide for those who are unable to make the varsity teams a chance to enjoy the keen rivalry and healthful stimulus of athletics.

A wide field is covered by these sports, inter-fraternity games including touch football, track, basketball, handball, golf, swimming, tennis, baseball, and bridge.

The traditional Frosh-Soph rivalries each year for the Holmes cup are of widespread interest. Up to date this year the Frosh have pulled the Sophs through the fire-hose in the tug-a-war, and have battled their upper-classmen to a scoreless tie in the football game.

Among the inter-school competitions, baseball is in the lime-light, the Physical Eds capturing the most recent trophy.

Daily the Engineers may be seen playing on the field behind the Engineering Buildings, and the keen sports competitions afforded by the different branches of the Engineering School add zestful recreation to the tedious daily work.

Bill Kirchem and "Shorty" Henderson finishing the Pan-Hellenic 220... Alley-oop for Phi Kappa Sigma... Louis Thames snaps a long one in the Dekes' win over the K. A.'s in the touch-ball finals... "Adonis" Freese, spear slinger... Paul Charbonnet snags Al Fleitrich for a safety in touch-ball final; Deko, 2; K. A., 0.

INTRAMURAL Sports at Tulane
With the Fiftieth Anniversary of Newcomb's founding being celebrated this year, many reminiscences bring forth the inevitable contrasts of past and present. Newcomb College has grown from one building to the present campus, the faculty has increased, the student body has grown, new departments have been added, new ideas have been developed. This is as true of the Physical Education Department as of any. The whole conception of the purpose of that work has changed from the formal idea of gymnastics to the informal participation in games, and from the bulky bloomers and long-sleeved middies to the present chic costumes.

Specifically, the work offered at Newcomb is given with the purpose of developing within each girl certain ideals of skill in movement and cooperation in working with others. As this course is required for the students of the first three years, as large a variety of activities is offered as is possible, in order that every girl may find something she enjoys. For everyone to participate and to have a good time while learning new skills and techniques is the aim of this "Newcomb's Recreation" program. Every girl realizes that it is almost necessary to be able to do some one thing well. Swim, dance, play tennis, all these added to a list of accomplishments make for social recognition as well as personal satisfaction.

But everyone is not physically equipped to take part in the more strenuous activities. What is done to provide for their enjoyment and help? At the beginning of the year, every entering student is given a thorough physical examination and the type of work best suited to each individual is prescribed. There are correctives for those with postural defects. Many round shoulders and faulty curves have been remedied. It is not only those the Department of Physical Education recommends who take this, for some of the girls are volun-
trying to acquire that poise and balance of walking, sitting, and standing that so few of us have, but so many desire.

Newcomb is ever so considerate of its less fortunate girls—those recuperating from operations, colds, Christmas holidays, and exams—by supplying cots and a gallery for sun baths and restful relaxation during the crowded day.

Everything is not centered around the less strenuous, but nevertheless important, items. In the fall, hockey is one of the popular sports, badminton, deck tennis, archery, and soccer can be elected according to one's abilities and desires. During the winter season, basketball holds part of the limelight with ping pong, bowling, Danish gymnastics, tumbling, apparatus work, and fencing coming in for their share. The spring term is devoted to instruction of enthusiastic tennis classes, badminton, baseball, and volleyball. The swimming pool is busy the year round, what with swimming tests to be passed, badges to be earned, and those extra pounds to be worked off. Dancing is becoming a more popular attraction. Tap is, of course, a favorite but rhythms and folk dancing will be more in demand as time goes on and interest increases.

There is a climax for each of these activities in the form of tournaments, games, demonstrations, and meets. The Athletic Council of the College has charge of class games in hockey, basketball, and baseball. It runs off tournaments in ping pong, badminton, bowling, deck tennis, and tennis. The alumnae are represented as well as the students in these contests, and the "Tennis Tea" after the annual varsity-alumnae tennis match...
is an occasion to celebrate a well-earned victory. At the end of the basketball season, the alumnæ play the varsity in a real contest! The month of March is full of such important dates as gym nite, a demonstration of the dancing, tumbling, fencing, gymnastic and apparatus achievements of the classes, and high school day, when seniors of the city's secondary schools are entertained by the department.

May starts with the May Day festival given by the Juniors in honor of the Seniors, one of the prettiest and most effective accomplishments of the students. Swimming finishes the year with a course in life-saving, and an informal meet with races and novelty stunts.

The faculty?

Once a year they shed coats, turn up shirt sleeves, and demonstrate their prowess on the baseball diamond in the annual faculty-varsity game. It is surprising how agile they are when it comes to sliding bases and jumping for flies.

The year comes to a close with an event dear to the heart of many Newcomb girls—Trophy Day. In recognition of their spirit and sportsmanship, points are given, which accumulate until they mean an "N," a sweater, a pin, or a blanket. These material things in themselves mean little, but they are a symbol of the fun, cooperation, achievement, and competition that had to be realized first, and will last after the trophies have gone.

NEWCOMB COLLEGE
When bowling was one of the gentler arts at Newcomb... Fleurette Kahn in "Tip-toes on the Two Legs"... Two steps and then the bloomers moved... Push 'em up... For the love of the sport and the glory of the school... A bunch of the girls were whooping it up... Twenty years in baseball.

**Athletics**
Newcomb, with its usual vitality and spirit, turned out full force to help in the great drive for funds, known as Realization Day. The girls served as clerks in stores, as soda dispensers, and even turned their hands at putting up play bills. The results were excellent.

We believe in the tenets of abiding truth, which is the guiding star of our order. We believe in the helping hand which is the bar which binds us in our calling. We believe in the unity of service to one another which lends to the weary a word of cheer, to the poor a portion of our store, to the weak a meed of pity, to the stricken a voice of comfort, to the old a memory of youth, and to the wayfarer a help along to the journey's end.

Our emblem will always be an inspiration to duty, remembering it stands for excellence in all things, purity of purpose and honesty of method and effort, with the blessing of an Alma Mater upon each who wears her badge of honor. May our lives lie among the stars which light the way to the great mystery and may we so live that when we reach the end of the road we may find the veil, which parted, leads to the heights of everlasting peace.

The Tulane Young Men's Christian Association is the only student organization that is campus-wide in its scope. The program, carried on and developed by the students under the supervision of the General Secretary, is designed to give expression to the religious, social and recreational needs of the students.

The Freshman Y. M. C. A. is an organization for first year students who are interested in the work of the Y. M. C. A. It has proved very valuable training for membership and officers of the Senior Y. M. C. A.

The Board of Directors gives continuity and supervision to the work and program of the Tulane Young Men's Christian Association.

The Oratorical and Debating Council is composed of members of the Faculty Committee on Debating and members of the Varsity Debate Teams. The Council exercises complete control over intercollegiate debating and has for its purpose the arrangement and sponsorship of such contests, and, in addition, sponsors and arranges Freshman and Intramural debating.

The Council for the season 1936-1937 conducted two debate tours. The first ranking team was sent to California, debating on this trip University of Southern California, Redlands, University of California, Stanford, University of Denver, Southern Methodist University, and Rice Institute. The second ranking team was sent to Washington, D.C., debating on this trip Springfield, Auburn, Birmingham-Southern, Emory, University of Washington, University of Chattanooga, University of Alabama.

A more extensive home schedule was arranged and an additional $10.00 prize was offered to those men who failed to make the varsity squad.
The Student Council of Newcomb College has jurisdiction over the conduct of the students in their relations to the college and to one another; this Council, composed of the students themselves, regulates all matters of honor after a hearing of the case in hand and a consideration of all the evidence that can be obtained.

The aim of the Jennie C. Nixon Debating Club is to foster interest in organization and public speaking. Debates and floor discussions are held at the bi-monthly meetings and prize debates and intercollegiate contests are held throughout the year.
The purposes of the Y. W. C. A. are to unite in the desire to realize full and creative life through a growing knowledge of God; and to determine to have a part in making this life possible for all people. The fields of work in which the Y. W. C. A. is active are Discussion Groups, Social Service, and Sponsor Movement.

Opportunity

"Success or failure comes from within." . . . In this, the richest country in the World, there is good business ahead for those who have confidence in the future and themselves.

The experience and facilities of this bank have started many small businesses on the road to success. Youthful industry will find the Whitney a valuable ally in planning for tomorrow.

WHITNEY
NATIONAL BANK
OF NEW ORLEANS

There Is a Whitney NATIONAL Bank in Your NEIGHBORHOOD
Scene—Southern Yacht Club.

Time—Rush Week.

Occasion—Inauguration by fraternity officials of a new custom—an annual dance during Rush Week, serving to introduce Greeks to entire crop of freshmen.

Main Character—Rollo Yorown, prize rushee.

(Enter Rollo, led by Beta's terrible three, Lee McMillan, Zeke Reese, and Claude Rives.)

Rollo: Do you fellers always get to parties so early? We're the first here.

Zeke: The Betas look ahead, Rollo. The bar is always crowded later on.

Rollo: What's that peculiar odor?

McMillan: Just our luck! The A. T. O.'s would have to come so soon!

Janvier: Sure glad to meet you, Mr. Yorown, indeed a pleasure, indeed, indeed. Must see some more of you soon, very, very soon. You'll want to meet our gang.

Zeke: That makes ONE of us that wants to.

Doswell: Who's setting the drinks up? Rollo, come have a drink with me on Trepagnier.

Rollo: Thanks, I like beer.

Maginnis: Then you'll like us A. T. O.'s. We have a whole flock of beer mugs over at our house.

Zeke: And all of 'em have legs—Doswell, Trepagnier, Schulze, Dueease. . .

Rives: Yeah, Rollo, you stick to us Betas. You won't often find fellas like Boggs, Monk, Sutter, Harvey Johnston, "Nose" LeCorgne, and Spearman. Even "Cue Ball" Seemann.

Newman: Thank goodness! (Loud interruption near doorway as Joe Abrams, Rise man, Maurice Born, Flowers, Dennery, et al of Z. B. T., stagger in under the weight of a five-gallon keg).

Z. B. Ts.: Yea, Z. B. T! Hi! Hi! Hi!

Others: Nay, Zebes! Low! Low! Low!

(Continued on Page 288)
PANNED HELLINIC

(Continued from Page 287)

(The party really gets started now, as many other guests arrive.)

Dennery: Who done dat? Don’t you know that Zebe is the best chapter at Tulane?

Born: Yeah, ain’t we got the best House, ain’t we making money on it, ain’t we tops in activities, ain’t we got something?

Barney Mintz: You’ve got something all right, but please keep it.

Risman: Imagine a S. A. M., talking to US like that! Why, we’ve got more boys living in our House than S. A. M. has in its entire chapter.

S. A. M. Steeg: It’s too bad they don’t STAY in the House. We go in for quality, not quantity. Look at Rosenberg and Bowsky. And we’ve got a nice new chapter house, too.

Deke McCloskey: What sheriff threw you out of the old one? Now, see here, Rollo, I want you to meet a few of the Dekes. We have the finest lodge in these parts and would like to make you one of us. Meet “Snake” Upton, “Don John” Manard, “Drunk” Harris, and “Gooey Gus” Baldwin. Huh, I almost forgot “Sparks” Friedrichs—of social fame.

Barney Phelps: And you’ll do well to forget all of ’em, Rollo. But the Delta’s have really got class. There’s Cassy Ellis, “Me” Ray, Crawley, and Boswell over there on your right. All fine fellows. The Delta shelter is a fine house, with the emblem all lighted up at night.

“Snake” Upton: That light’s to show their one pledge how to get in. But it must not do much good, as the poor fellow is blind, else he wouldn’t have pledged Delta. The Dekes blaze the trail and the others follow. We’re just full of campus leaders, athletes, erudites, and JAMBALAYA staff-men.

(A band of Phis swish up.)

Johnny Sims: Don’t believe him, Mr. Yorown. All the Dekes have is a bunch of stiff collars and a pancy bed. They’re good at raising sweet-smelling daisies, too. Take away boys like LaCour, Mahler—which you can, gratis—and maybe one or two others, and what have they got? Gamble and Benedict—“Punch-Drunk” and “Drunk”—that’s all. Steer clear, Rollo.

Phi Williams: We Phis are o.k. Waugh is tops, Martin’s got it all, Ball’s the nertz, and others—Captain Moss, Li-vaudais, Moore. Our House is ultra ultra. We’re real men-about-campus. Look us Phis over, Rollo.

Kappa Nu Aronson: Don't look at 'em too long, Rollo, if you want to enjoy the party. They're nothing but a bunch of smalltowners trying to act citified. That Mike Field, phew! They're so bad even Livaudais doesn't associate with them. "Red" Butt is the seat of the trouble, Waugh is house-mother and why he hasn't shot himself for being mother to that crew is a mystery.

(Shattles leads up an amazingly motley-looking band of S. P. Es.)

Red: And it's a mystery how the Kappa Nus keep running with a membership of three guys named Joe. Come on into the bar, Rollo, and S. P. E. will buy you a glass of water. But first meet our two best bets, Brewer and Kirchem.

Rollo: I'm glad it's not me that's betting on them.

(They all proceed into the bar, and after trying for ten minutes to nudge through the circle of K.As. surrounding it, give up and sit at a table.)

K. A.: I'll take an ice cream soda—Tutti-frutti.
Sigma Pi: Me too—lemon.
Rollo: Who's that, a fraternity brother?

Kappa Sig: Give me a double scotch and gin. Now, Rollo, my friend, how about hooking up with our lodge? We are the princes of Casamento. Our gin is best; our girls are worst. Such notables as Kuhner and Habans, both graduates, are members. We still have Pat Ball.

Phi I. A.: We still like Torrado better than Meneses and Mendiguita.

Sid Blessey: Listen, Rollo, outside of me I admit the Delta Sigma Phis ain't got much, but for Pete's sake steer clear of the Phi Kappa Sigs. They've got 40 members if they've got one—and one like those would be too much. They haven't such a bad House, but there are plenty other nice monkey cages. Markel and Pedersen are their men-at-large, so that gives you an idea of what the rest are like. They have to hide three-fourths of their members in the basement whenever a rushee enters the House.

(Loud din at bar. Kappa Alphas have bought up entire supply of whiskey, believing it cheaper than consuming the supply drink by drink.)

George Williams (backed by extremely seedy looking Sigma Chis): See there, Rollo? That's the kind of fellow

(Continued on Page 291)
the K. As. are, Kings of Alcohol, that’s all. Now take us for instance (Ed’s: Note: No, not even for instance, George), we seldom touch it. Such boys as Irvin Dymond, Bill Craig, and “Dizzy” Labouisse have yet to taste alcohol.

Kaya Bass: That’s because whiskey and gin are cheaper.

Rollo: What is gin?

(Nine K. As. faint at this question.)

Beta: You see them faint, Rollo? Even though the K. As. live next to us we don’t associate with them. “Wu-Wu” Poitevent, 210 pounds of bull, is one of ‘em. And guys like Flettrich, Bass, and Lockett—what can one say about them in a censored speech? “Kopko” Oliver is a bat on baseball. Usually a bat on a baseball means a hit, but Oliver is only three strikes. Wally Young thinks he’s a big shot but what’s one man’s opinion? Hammond’s not too bad, but “Onie” Carrere and “Curly” Stauss have rheumatism from being hid in the cellar. The Paynes are just what their name sounds like. Better join the Wooglers, Rollo, and get in with the best.

Rollo: What about the S. A. Es?

(Silence.)

WHAT DO YOU PAY FOR

COFFEE and CHICORY?

A. & P. sells Crescent City Coffee at 15 cents a pound, regularly. We know the quality of Crescent City to be equal to or better than many other brands selling at much higher prices. Ask any person who drinks it!

With good green coffee at 10 cents a pound, good chicory at 7 cents a pound, plus a fair profit to cover roasting and selling costs, it seems to us that 15 cents per pound, for the best coffee and chicory, is at present a fair price.

THE REASON WHY

That Molloy-Made covers have been used on so many of the nation’s leading annuals over a long period of time is testimony to the fact that they really do represent more value.

The Jambalaya, like many other leading annuals, started using Molloy-Made covers "away back when"—and the Molloy trademark on the cover of this 1936 issue is the best evidence of an eminently satisfactory standard of quality and service throughout the years.

AN IDEA

EXPERIENCE

REALITY

IDEAS, born in the minds of yearbook staff members, can become REALITIES within the pages of a finished book only through the competent guidance of those who have EXPERIENCE in the field of yearbook production. Realizing this fact, editors and managers of college and high school annuals have been, for more than a quarter of a century, employing, and profiting by, the experienced service, distinctive art creations and "PRINT TESTED PLATES" offered by SOUTHWESTERN ENGRAVING COMPANY.

SWECO EXPERIENCE assures your IDEAS of becoming REALITIES even greater than anticipated.
