the 1940
AN ANNUAL PUBLISHED BY
THE STUDENTS OF THE TULANE
UNIVERSITY OF LOUISIANA
Copyright, 1940
mbalaya
We proudly dedicate this 45th volume of the Jambalaya to Professor Robert Leonval Menuet, an alumnus who has found his life work in the service of his alma mater; an inspiring teacher of mathematics; a wise counselor and proved friend to athletics and to student activities. As acting president of Tulane University, he set a high example of devoted, able, upright, and self-effacing leadership.
We have attempted to portray for you a panorama of student life and activity. In doing this we thought the time propitious to eliminate elaborate themes and employ informality. Throughout the book various sections have been highlighted by the use of color to give a more vivid portrayal. Pictures have replaced the customary descriptions. This annual is published for you, the student—may it meet with your approval.

Dr. Harris meets with two active alumni
The past year has seen a closer knitting together of the intellectual and social life on the Tulane campus in the building of four great meeting places. The Howard Library joined with the Tulane and Newcomb Libraries will make one great and distinguished library open to everyone for study and research. The greater university library brings together the discoveries of more intellectuals, the products of thinking minds through the ages, and will soon be a common ground for the meeting of all campus minds. The McAllister Auditorium, the gift of one donor whose social understanding makes available this encouragement of the speech arts, has been a long-felt need. Here all Tulanians may gather for convocations, lectures, music and the drama. The Student Center, made possible by the alumni, is a gift in the name of the seventeen thousand graduates who have left these halls, and is the realization of the plans and hopes for a gathering place where friends might meet and enjoy freely the pleasures of companionship and recreation. Alumni, students, faculty and friends may meet here for informal discussions and social intercourse, and here campus organizations may conduct their business. The New Orleans Mid-Winter Sports Association, which represents civic interests, provided the funds to enlarge the stadium. Dramatized by the participation of Tulane in the Sugar Bowl contest this year, the enlarged stadium illustrates the citizens' love of athletic contests since ancient Greece and serves as a place where all can meet in the joy of competition.

Just as these four concrete examples remind us of the purposes to which are dedicated the buildings around us, so the events pictured in this book will remind us of the real purposes for which we are gathered. The Jambalaya will call to mind the spirit of an inspiring teacher, a dear friend, a great game and great sportsmen, or an old sweetheart, and may indeed renew that spirit in actuality in our hearts.

With a review of the past year, this issue of the Jambalaya marks the beginning of a new decade with a happy outlook for the future.

REAR CAMPUS IN SPRINGTIME
This year marks a quarter of a century of student government at Tulane. The students may well look with pride over these twenty-five years, for during this period the extra-curricular program has expanded to such an extent that it is now an integral part in the college life of the Tulane student.

The Tulane Student Council which is composed of the presidents of the various colleges of the University, has general supervision over all student activities. The Council is assisted and advised by the Graduate Manager of Student Activities, an office now held by Kendall H. Cram, B.A., M.A.

To the left, ANN PENDERGAST, Secretary to the Graduate Manager.
Members of the 1939-1940 Student Council are: Paul G. Krueger, President, Commerce; Edward R. Villemez, Vice-President, Medicine; Joseph A. Becker, Secretary, Engineering; James R. Morrell, Law; James C. Senter, Arts and Sciences; and Charlotte Carter, Newcomb.

It is the duty of the Graduate Manager to supervise and keep an accurate record of all receipts and disbursements of each organization benefiting from the student fund, to act in an advisory capacity to all student activities, and to act as the agent of the Council in all matters.

There are now eighteen organizations receiving allotments from the student activity fund. During the past year the Tulane-Newcomb A Capella Choir and the Tulane Symphony Orchestra were supported from this fund for the first time.

This year, Tulane and Newcomb are hosts of the Nineteenth Annual Convention of the Southern Federation of College Students and Publication Representatives. Tulane has been a member of this organization and of the National Federation for a number of years. Each year, Tulane is represented at both conventions. In this way methods of student government and of student publications throughout our section as well as throughout the country are studied, thereby enriching our own extra-curricular program.

The politician caters to his constituents whatever his personal views; the hired hand does as the master bids, whatever his own desires; the newspaper should publish what the readers wish, whatever the qualities of journalism.

The policy for the year has been to try to satisfy the readers, letting the paper take unusual forms if it will. For we are a college newspaper, we need bear a similarity neither to the Times-Picayune, the New York Times, nor the Chicago Tribune, nor, indeed, to any college newspaper.

Predecessors have said our aims were to cover the news, express campus opinions, record campus history. These have become traditional; they will stand another year's use.

Our major changes and achievements are easy to list. We adopted a newer, dressier headline schedule. We used more pictures than were used in previous years. Less play went to the faculty, more to the students. We tried to find new feature material. Editorials were made lighter and, we think, more readable. Our Christmas fund exceeded the quota.

As in previous years we realized the desirability of a semi-weekly newspaper; inertia held us back. The idea of attempting to issue a literary supplement was considered and discarded. In dividing our time between school and newspaper, we passed up many stories; new items and features.

The business staff worked diligently and enabled us to put out a larger paper, on the average, than was done in other years. The greater amount of usable space and the larger revenue brought us new opportunities to include more things we wanted.

Students in the department of journalism served well as reporters; without them we could not have functioned.

The staff had many worries during the year, enough fun to make up for them. All this came under the heading of the "Hullabaloo."

Dr. Monroe Lippman has continued his good work with the Tulane Theatre. Since becoming director several years ago he has constantly endeavored to give the university a theatre worthy of the name. His efforts have not gone unrewarded.

The theatre group including approximately 100 students and faculty members has given us this year two plays of notable dramatic worth. Under the capable direction of Dr. Lippman the productions were "Arms and the Man" and the dramatic "Liliom." At the time of this writing plans are under way for the production of the comedy success "Boy Meets Girl."

The Cotillion Club, founded December, 1936, under the guidance of Verbon F. Gay, is an organization composed of Tulane and Newcomb students whose purpose is "to arrange social activities and entertainments by and among the students, faculty, staff, alumni and friends of the University." To this end the Tulane Cotillion Club shall originate, plan and conduct all student dances embracing all the departments of the Tulane University of Louisiana.

Receiving the cooperation of the administration, faculty, and student body from its very beginning, the Cotillion Club held two successful dances before the close of the 1936-1937 season. Four dances were held during 1937-1938 with two nationally known orchestra leaders, Shep Fields and Clyde Lucas. 1938-1939 saw Ran Wilde and Paul Whiteman.

This year the club ran true to form. For the annual Homecoming dance the ever popular Clyde Lucas gave out with his novelty tunes. His popularity on the campus is evidenced by the fact that this is the second time he has played for us. On February 17, 1940, Hal Kemp played for one of the best dances the University has ever seen, the annual George Washington Ball.

Membership to the club is by invitation.

The Tulane Symphony Orchestra, numbering 41 players drawn from the student body and faculty of the University, had its first rehearsal on November 7, 1938. Since that time rehearsals have been held once a week.

It is the primary purpose of this organization to provide musical enjoyment, through participation, to those members of the faculty and student body who play orchestral instruments.

In addition to its regular concert in May, the orchestra participated in the New Orleans Spring Fiesta with the Tulane-Newcomb A Capella Choir.

The Greenbackers is an organization composed of both fraternity and non-fraternity men dedicated to creating a greater school spirit among the students.

They aided the Tulane University Rooters Klub in staging card displays, sponsored huge bonfires and pep meetings during the football season, spread school spirit stickers around the campus before important games, cooperated with the alumni on Homecoming, and staged various unique displays calculated to rouse student interest and support in athletic contests.

The Moot Court system in the College of Law is especially designed to train students in the preparation and argument of cases. It is this practical aspect of the legal profession toward which the efforts of the Competition are directed. Technical training in research, brief writing, and forensics, the ordinary tools in the trade of a lawyer, form the foundation of the moot court work.

The Board is composed of 12 ranking members of the Senior and Junior classes. The work of the Board is to prepare the facts to be argued, sit as justices on the Supreme Court of the State of Tulane, and generally to supervise and administer the Competition. All factual situations argued are de novo, and no one system of law is prevailing in the jurisdiction as a binding precedent. Therefore, the student must weigh the social factors and must concentrate upon the functioning of the rule of law. This latitude and wide ranged scope of the law of the State of Tulane makes the moot court an excellent field within which the future lawyer may exercise his initiative for the formulation of a new jurisprudence, one that will purport to be a flexible rule to meet the changing social demands and needs. It further affords an opportunity for the development of that peculiar insight needed by lawyers to aid in the determination of the niceties of the law raised today by our intricate social and economic system.

In the academic year 1938-39, the Moot Court Competition was won by Marjorie Smith and Harry McCall, Jr. Their names were engraved on a marble plaque in the College of Law Library.

The TULANE LAW REVIEW is a legal periodical, published quarterly by the faculty and students of the College of Law. It is devoted to Civil Law, Comparative Law and Statutory Interpretation. The Board of Editors is composed of honor students in the Junior and Senior classes of the College. Their function is to comment upon various phases of the law as well as recent decisions by the judiciary. They are assisted by a Board of Alumni Editors, a Board of Advisory Editors and a staff of Contributing Editors who represent the highest type of lawyers and legal scholars in Louisiana and throughout the world.

The Board of Editors pride themselves upon their use of the comparative method of legal research, believing that to reveal the praiseworthy qualities as well as the shortcomings of different systems of law is an effective check upon tendencies to accept any one system as immutable.

Although most of the material published in the REVIEW is written by members of the Board, its pages are open to all contributions which meet its standards of scholarship, research and literary style. In addition to the student material, the REVIEW also contains articles of interest written by members of the legal profession.

Since its foundation in 1929 as the successor to the SOUTHERN LAW QUARTERLY, the TULANE LAW REVIEW has become recognized in the United States and abroad as a leading journal of Civil and Comparative Law.

The purpose of the Intramural Council is to encourage the entire male student body to participate in organized athletic sports, and also to encourage participation in wholesome, active and healthful recreation.

The Council shall, therefore, organize and promote competition between individuals and groups of students and shall foster the spirit of fair play and sportsmanship between participants and spectators.
For many years students at Tulane University have found the Y. M. C. A. one of the most active and beneficial of the organizations on the campus. The Tulane "Y" is made up of a group of students who have joined together in an attempt to discover what life as governed by Christian principles and precepts can hold for them as individuals and as members of a great human society. It is non-sectarian and invites into its membership all students who are genuinely prepared to seek the truth of the Christian faith in terms of thought, practical daily living, and in relation to their social responsibilities. It believes that religion should be an active, vital force exerting itself in the everyday lives of those who profess it.

The "Y" is campus-wide in its scope. It is not a group of students out of touch with the life of the University, but is a group of Christians who are seeking to serve the student body as a whole. Every student who attends the University is at some time or another included either directly or indirectly in its activities. In these activities the "Y" tries to reflect credit to the University, give unity and purpose to the student body, and personal development to the individual student. In all of its undertakings, it emphasizes the highest ideals in life, both physical and spiritual.

TULANE'S SPORTS

All in all the Green Wave enjoyed a rather successful season in 1939-40.

In football the Greenies were co-champions of the Southeastern Conference. Invited to play in the annual Sugar Bowl Classic against powerful Texas A. & M., the team suffered its only defeat of the year and that by the slightest of margins—one point to be exact. All-American John Kimbrough and the Aggies were just a little bit too much for us.

The boxing team managed to win four matches, losing one to the L. S. U. Tigers who went on to win the Conference Championship. Outstanding fighter was Cy Hickey who won the light-heavyweight crown in the Southeastern Conference Tournament.

The basketeers didn't have much success this year. On the road trip in the East the Greenies didn't win a single game, being hampered by the absence of some of the football players. In the Conference Tourney the Green Wave lost its initial game to L. S. U.

In track Millard White was an outstanding star, breaking the conference record for discus throwing.

The tennis team was very successful, winning most of the matches and finally annexing the Conference Championship.

The baseballers were only mediocre, losing most of their games. Most enjoyable of all were the games played with the sailors.

Vincent D'Antoni starred on the links for the golf team. Later on, he won the National Intercollegiate Golf Championship.

Intramural sports reached a new high. Under the capable direction of the Intramural Council a broad and interesting athletic program was launched.
"Red Dawson," about the youngest "name" coach in the game today, turned out one of the greatest football teams in the country. In four short years "Red," a former Tulane star, built up a group of players into a grid machine powerful enough to rate second in the nation at the end of the season.

Assisting Coach Dawson in this great coaching job were Glenn Seidel, backfield coach; Bill Bevan, line coach; Charlie Rucker, freshman coach; Pete Mailhes and trainer "Monk" Simons, Sr.

THE CLEMSON GAME

With Bobby "Jitterbug" Kellogg opening in an aura of stardom a senior record more impressive than Pinocchio's nose after fib four, the Greenies won the first heat of its toughest grid race by split seconds from Clemson and All-American Banks McFadden, 7-6.

McFadden clicked for a 23-yard touchdown pass to Joe Blalock on the second play of the second quarter. Big Bill Kirchem, who played three years as the most underrated Tulane tackle in history, broke through and blocked Mac's boot which was labeled for the extra point. Clemson led 6-0 at the half.

Tulane came back with the first of a series of long grand marches that characterized a season of thrilling play, by marching 66 yards to a third quarter score. Kellogg plunged over from the one-yard line and promptly kicked the extra point, margin of victory.

Runs of thirty and five yards by Fred Gloden, of eight and six yards by Buddy Banker, and a beautiful fifteen-yard dash by Kellogg, the blocking of Carl Dailey, running guard, and Harley McCollum, giant All-American tackle, were features. A crowd of 25,000 wildly cheered the thriller.

THE AUBURN GAME

Piling up 204 yards to 24 and 12 first downs to three, Tulane rolled over Auburn, 12-0, to break ice for the
One of the few times Kelly had to be helped off the field.

Fred Gloden climaxed an 82-yard drive in the first period with a plunge over for the first score, and Captain Paul Krueger scored on a fourth down pass from Harry Hays late in the fourth quarter. Tulane's individual star was Stan Nyhan, who intercepted two passes deep in Tulane territory, both of which would have resulted in touchdowns for the Plainsmen. Dick McGowan averaged 49 yards a kick to out punt Nyhan for the only time in the Iowa's three-year Tulane career. The gate showed 28,000 fans.

THE FORDHAM GAME

Taxing to its limits the capacity of the Tulane Horse-shoe, 43,000 fans watched Tulane push over seven points in the first quarter on a plunge by Gloden and Kellogg's extra point, and then hold on tenaciously to its slight margin for the rest of the thrill-packed game. The touchdown march was for 52 yards. Three other long drives were halted by stubborn Fordham defensive and poor Tulane quarterbacking in the shadows of the Ram goal. Following a beautiful 33-yard run by

Kellogg, the Rams held on the one-yard stripe in the second quarter. In the fourth stanza, Tulane marched from its own 45-yard line to Fordham's three. The Rams held for three downs, and on the fourth shot at the goal, Krueger called Emanuel "Frenchy" DeFraites, nursing a badly bruised knee, on an end around which netted Tulane a loss of five yards, the ball, and a wonderful scoring opportunity.

Tulane won by a larger margin than the score would indicate, the tabulation in first downs being sixteen for the Greenies to three for Fordham.

THE NORTH CAROLINA GAME

If revenge is sweet, then the name of James "Sweet" Lalanne of Lafayette, La., is an understatement, to say the least. The Louisiana boy, a Tulane cast off "because he was too little," came home to roost in the closing minutes of a ball game Tulane seemed a cinch to win by virtue of its 14-point margin.

Lalanne returned a kickoff to his own 18, fired a 35-yard pass to the Tulane 47, and passed for a touchdown to Paul Severin on the very next play. Harry Dunkle made the extra try to total seven points in four plays.

Shortly after, the Tarheels recovered a Tulane fumble in midfield, and it took Lalanne but three chunks
to score another touchdown. Severin was in receipt of the pass, and Dunkle kicked the tying point.

Tulane's scoring was done by Kellogg and Hays, the carrot-top lad accounting for two touchdowns and an extra point and Hays for the other extra point. Except in the last ten minutes of the game, Tulane was superior. The Wave made 17 first downs running to North Carolina's one but the Tarheels clicked for 8 first downs through the air to Tulane's none.

THE OLE MISS GAME

The longest run in the history of Tulane football and another 24-yard touchdown dash that probably raised to its climax the career of Bobby Kellogg featured the hardest fought game of Tulane's early season. The Greenies won from Ole Miss, 18-6, but the score didn't come close to indicating the closeness of the battle.

Enjoying an advantage of 203 to 155 net yards gained running and passing, Ole Miss could have gotten no worse than a tie if only they could have stopped the "Jitterbug." "Kelly" ran 24 yards through the whole team in the first quarter, and everybody on the Rebel club got their hands on him at one stage of the run or another. Then "Kelly" returned the kickoff that

opened the second half 106 yards for the record Tulane run.

Buddy Banker, playing his best game, ran an intercepted pass 47 yards for a score in the fourth quarter. The line play of Carl Dailey was sensational. His blocking was largely instrumental in Banker's 4.7 yards a try average, and his down field tackle from behind on Rebel Schneller saved a sure Ole Miss touchdown.

**THE ALABAMA GAME**

The largest crowd that ever saw a southern football game filled the Tulane stadium bowl almost to capacity to see Tulane defeat Alabama, 13-0. It was the first game in which fans were allowed to sit in the not-quite-completed stands that closed the Horseshoe into Dixie's first Bowl Stadium.

Harry "Cactus" Hays dashed 67 yards through the whole Alabama team late in the second quarter, and the run supplied the greatest thrill of the season. A great downfield block by Fred Brekke on Mosley made the run possible when it seemed the Alabama back was sure to stop the Texas Ranger.

The second Tulane score came in the third quarter. After Alabama was penalized to the one-yard line for clipping, Charlie Boswell got off a poor punt to the Tulane 19. Two bucks failed to gain, and Kellogg passed to Nyhan for 16 yards and a first down on the...

THE COLUMBIA GAME IN NEW YORK

Most of the big time sports reporters and commentators, including Grantland Rice, Henry McLemore, and Bill Stern, viewed Tulane’s terrific triumph over Columbia at Baker Field, 25-0. "The D. H. Holmes Columbia Special" carried 110 Louisiana fans to the game.

Scoring 19 points in the first half, the Wave seemed to rest on its laurels and took it easy in the second period, scoring another six points in the fourth quarter. With Gloden doing some fancy stepping, Tulane marched to the pay dirt early in the game, and Kellogg scored from the 5-yard line and kicked an extra point before 10 minutes of the game had expired.

On the first play after the kickoff, Naylor was tackled so hard he fumbled. Wenzel recovered on the 15, and Tulane scored in two plays. Kellogg picked up three. Kellogg carried it from there behind the perfect blocking of McCollum and Dalley, "Kelly" booted the extra point.

The game was played after the Wave had enjoyed a week layoff following the Ole Miss game. It marked the first time Coach Red Dawson had defeated a Frank Thomas coached team.

eight, and Banker plowed through guard for seven yards and a touchdown. Kellogg failed to convert.

Shortly after Clay had intercepted a pass in the second quarter, Stan Nyhan punted into the coffin corner, the ball going out on the one-foot line. Naylor punted out to the 43. Hays returned to the 30, and then he threw a pass to Nyhan who fell down with it on the 6. Hays took it to the two-yard line. From here Fred Cassibry plunged over through right tackle. Kellogg missed the extra point.

The last touchdown was scored on an eight-yard dash by Monette Butler who had sparked a last minute drive down to the 17. Substitutes St. John Smith and Norman "Pops" Marmillion picked up valuable yardage in the drive. A Gotham crowd of 25,000, smaller than Tulane drew in New Orleans, witnessed the game.

THE SEWANEE GAME

A crowd of only 15,000 saw a gallant, but hopelessly outclassed Sewanee eleven—and eleven was very close to the total squad number—bowed to Tulane, 52-0. An idea of the courage of the Tennessee boys can be gathered from the fact that, in the very closing minutes of the game, eight touchdowns behind, Sewanee held Tulane for four downs on the one-yard line.

"Pops" Marmillion, veteran Tulane red shirt player, was the individual star, scoring one touchdown, averag-

ing 4.7 yards per try, returning five punts for 111 yards, and completing five out of nine passes for 67 yards. Other Tulane scorers were Fred Gloden, Monette Butler, Bob Glass, Jack Tittle, Harold "Moon" Mullin, Jimmy Thibaut, and St. John Smith.

THE L. S. U. GAME

Superiority in reserve strength proved the margin of a 33-20 victory over a vicious, game, fighting Tiger from L. S. U., in the forty-sixth playing of Louisiana's annual grid classic. Eight touchdowns were scored in the wild, spasmodic battle that had 44,000 fans sitting on seat-edge throughout.

Bob Glass, sensational Sophomore Greenie back, rushed into the game late in the fourth quarter with the score deadlocked 20-20, to relieve a tired little Tulane "Jitterbug." He scampered 83 yards to the Tiger 3-yard line and everlasting glory. Monette Butler plunged over for the winning margin, although he later tacked on another touchdown for good measure, following a blocked kick in the last few minutes.

L. S. U. scored first on a plunge by Roy Joe Anderson after the recovery of a blocked Greenie kick, but Fred Gloden capped off a 74-yard revenge drive by

scoring from the one-yard line. When Kellogg converted, Tulane led 7-6 at the end of the first quarter.

But soon after Ashford Simes ran beautifully for 62 yards and a score, which added to Anderson's conversion, sent the Tigers to the front by 13-7. Not for long, however, as Tulane clicked for a touchdown pass from Kellogg to Krueger for 20 yards and a 13-13 tie as the half ended.

The fifth touchdown was scored from the two-yard line by Kellogg, after he had tossed a tremendous 40-yard pass to Ralph Wenzel who caught it on the dead run, and further distinguished himself, in an unpopular sort of way, by telling the referee where he stepped out of bounds. 'Kelly' kicked the extra point to bring the Tulane total to 20 points.

The Tigers came right back with a 48-yard pass from Simes to Anastasio that was good for a touchdown. Anderson converted to tie the score at 20-20. It was shortly after this that Glass came in and salted away the battle with his sensational dash.

THE SUGAR BOWL GAME

With the odds favoring the Aggies throughout the early part of the ball game, Tulane came into her own in the closing minutes of the first half. Kimbrough plunged over from the three-yard line early in the game, and Price booted the extra point. Late in the second quarter Red Cassibry brought down an intercepted pass...
on the Tulane 43. Red collaborated with Hays and Butler in a drive that carried the ball to within seven yards of pay dirt. An excessive time out cost Tulane five yards, as Kellogg came into the game for Hays. On last down his pass to Krueger failed, and Texas took over. About this time the half ended.

Late in the third quarter, Carl Dailey tore through and dumped Kimbrough for a five-yard loss. Moser quick-kicked to the Tulane 24, where Jitterbug Kellogg picked it up on the run and ran 76 yards for a touchdown. Jimmy Thibaut kicked the extra point, and Tulane was back in the ball game.

On the last play of the third period, Mandich recovered Kimbrough's fumble on the Aggie 39. Butler struck for nine yards, Hays for six, Butler for four, and then Cassibry, on three consecutive reverses, carried the ball to the Aggie one, where Butler scored. Herb Smith broke through and blocked Thibaut's point-labelled kick.

That later proved the margin of victory, because Price began tossing passes which always plopped into Aggie arms. One of them, completed to Herb Smith, was lateralled to Kimbrough, who stepped all over Greenies and 24 yards of turf for a score. Price kicked us out of the national championship with his true extra try.
Here we present a few of the high spots in the Sugar Bowl Classic. The photo above will recall to you the quick kick of A. & M., putting Tulane in a hole from which they could not get out. Below you will see Kimbrough making the first touchdown of the day.
Below we have Jitterbug Kellogg, Tulane's great halfback, running back a punt through the whole A. & M. team for a touchdown. Above Herb Smith knocks down Thibaul's placement. The failure to convert finally cost us the game.
Charlie Rucker's 1939 Freshman team was studded with luminaries from Wisconsin, Pennsylvania, Ohio, Arkansas, Mississippi, Kansas, and Louisiana. During the season the squad lost two games and won one.

For their first game of the season the boys lost to Northeast Center by a score of 14-0. The Greenies outscored Northeast Center 8-5 in first downs, and were scored on both times only as a result of fumbles. A Tulane bobble behind its own goal was recovered by the Indians for an early first quarter score. Then the teams settled down to steady, hard, rugged football until the last stanza when a Greenie fumble, recovered on the 15-yard stripe, was soon carried over for another score.

The next game saw the Baby Greenies rise to heights to beat a seemingly superior Alabama eleven. Coming from behind the Greenies nosed out the Alabama boys 14-13. Time after time the Crimson Tide threatened and time and again the little Wave held.

Going up to Baton Rouge for the next contest the Freshies suffered defeat after leading 7-6 at the half. The L. S. U. Baby Bengals came back to make the score 13-7 in their favor.

Many of the boys showed up good with such standouts as Pracko, Cable, Brignac, Thomas, and Walker.

The Wave opened its knuckle-whirling industry in impressive fashion by beating the Florida Gators 5-2 to 2-1-2. Hickey, Jones, Slayton, and Jaubert were the winners with Finley getting a draw. The other match was by forfeit.

The second meeting was with Mississippi State and again the Greenies came through with a win, 5 to 3. Jaubert won over Saunders and Hickey beat Nix. Davis of State showed up well in beating Tulane’s Finley while Blount beat Knight. Jones decisioned Gannaway and Tulane won two by forfeit while forfeiting one.

Greenie mittmen aided by four defaults on the part of a “flu-attacked” Ole Miss managed to eke out a narrow 5 to 3 verdict over the Rebels. McArthur received the decision over Finley; Goldman over Fischer. Jones lost to Canelle on the t. k. o. route with Jaubert actually winning our only bout.

In the battle with the Bayou Tigers, Cy Hickey saved the Greenies from a complete shutout. L. S. U in winning scored three t. k. o.’s. Several of the fights were closer than the score would indicate.

Tulane staged a fast finish to close the local boxing season with a win over Alabama. Finley held Deberadino to a draw; Ellis was stopped in three heats. In the heavier divisions the Greenies fared better with Slayton, Hickey, and Jaubert winning.

Tulane entered Slayton, Finley, Hickey, and Jaubert in the Southeastern Boxing Tournament. Slayton and Finley were eliminated in the early rounds, but Jaubert went as far as the finals and Cy Hickey copped the light-heavyweight crown.
ON THE HARDWOOD COURT

The Wave cagers had a rather poor season, playing good ball at times and not so well at others. The 14-game schedule opened with an Eastern tour consisting of four games. In succession the Greenies met Seton Hall College at Elizabeth, N. J., Michigan at White Plains, N. Y., Villanova at Villanova, Pa., and Baltimore at Baltimore, Md. Tulane was not impressive in losing all four of these games. The squad severely felt the loss of the cagers who were at that time in New Orleans practicing for the Sugar Bowl game with Texas A. & M.

Coming back to the Southland, Tulane's basketeers next met the strong Crimson Tide quintet in a two-game series. Alabama swept through the Wave 42-28 and 46-29.

The first home tilt was with the Yellow Jackets from Georgia Tech. The Greenies showed considerable improvement in winning this game 34-31.

The Mississippi Staters at Starkville handed the Green Wave its next defeat, a couple of weeks later.

The next week the basketeers met Ole Miss for two games in the Wave gym. Tulane won the opening game 36-34 and dropped the second 37-30.

The Greenie five next had a four-game series with L. S. U. The Tigers came to New Orleans for the first two games and the Greenies went to Baton Rouge for the second two. L. S. U. copped the whole series.

In the Southeastern Conference tournament at Knoxville, Tennessee, Tulane was paired with L. S. U. and again was defeated.

Outstanding players during the season were Captain Bodney, McGee, and Mandich.

THE CINDER PATH

The Tulane cinder team opened the season at the Southwestern Relays in LaFayette. The team next entered the Texas Relays where White placed fourth in the discus throwing and second in the shot. Collins took fifth in the shot.

White led Tulane in a 78-48 victory over the Ole Miss team at Oxford. White placed first in the shot, javelin, and discus while Kirchem and Hays placed first and second respectively in the century. Hays also won the 220. In the quarter mile the Greenies took all three places, completely shutting out Ole Miss. Vosburg and Roth teamed up to take first and second in the 880.

The Crimson Tide of Alabama on its own home field handed the cinder team a defeat by the score of 65-1-2-46-1-2.

Again the Tulane tracksters suffered defeat, this time at the hands of the strong L. S. U. aggregation to the tune of 69-43.

In the S. A. A. U. meet held on the Loyola track, White, Collins, and Kirchem were outstanding.

Up in Birmingham at the Southeastern Conference meet, White broke the conference record in the discus throwing and also took first place in the shotput.
The racqueteers of the Olive and Blue made the 1939 season most enjoyable for the tennis enthusiasts. In eleven starts, the Wave won nine matches, tied one, and lost only to Texas University. Then the season was climaxd by the annexation of the Southeastern Conference championship.

Under the guidance of Coach Pare, the squad defeated the Audubon Tennis Club and the New Orleans Lawn Tennis Club in the opening matches, and also won their first intercollegiate match by defeating Chicago, 4-3.

At this point, a strong Texas University aggregation, lead by the noted Bobby Kamrath, handed the Wave their lone defeat by a 5-1 score.

With fresh memories of their defeat at the hands of Texas, the Greenies, lead by Joe Abrams and Billy Westerfield, swamped the Alabama Crimson Tide, 6-0.

Rice was next to meet defeat, and Pare's boys came out on the long end of a 4-1 score.

After winning from Ole Miss, the netmen went to L. S. U. and walked away with every match. Then on the home courts, the Wave again drowned the Tigers by a substantial 5-1 margin. The double defeat over L. S. U. sandwiched the triumph over the Baylor Bears.

Road matches were scheduled with Emory, Georgia Tech, and Vanderbilt, but due to the rainy weather and approaching Southeastern Conference meet, the Emory and Georgia Tech battles were cancelled. At Nashville the Vanderbilt Commodores gave the Wave netmen their toughest conference battle, and the final scoring showed a 3-3 tie.

In the Southeastern Conference meet at Sewanee, Abrams and Cheng teamed up to beat Bobbitt and Lindsey of Georgia Tech in straight sets, 6-4, 6-0, 8-6, for the doubles championship.

Westerfield took the B division singles by defeating his teammate, Barney Phelps, in the finals by scores of 6-4, 7-5, 0-6, 6-4.
ON THE DIAMOND AND

The first tilt for the Tulane nine was with the Minnesota Gophers. After taking the first game, 11-6, the Wave dropped the second, 4-2. Blessey and Cassibry did mound duty for the Greenies.

The next team to meet defeat at the hands of Tulane was the nine from Northern Illinois State Teachers. Showing ability to come from behind, Rentz and Blessey led the Olive and Blue to a 7-6 win.

Tulane next met the sailors from the U. S. S. New Orleans. Before large and enthusiastic crowds, the Wave won every game in the series. The scores were: 3-0, 7-4, and 16-3.

Behind Blessey’s five-hit pitching, Tulane won a close one from the semi-pro team of Port Sulphur by a score of 1-0.

In a two-game series with L. S. U. on the home field, the Tulane team lost by scores of 11-3 and 10-1. In the first game, Cassibry came to the mound when Blessey, who started, weakened. Bodney’s fielding was sensational in both games and Kellogg took the pitching assignment in the second game, but the Tigers had too many big guns for the Wave.

The last game of the year was played at Baton Rouge with the Tigers, and the Greenies again went down at the hands of the Ole War Skule.
ON THE LINKS

The Tulane golf team, composed of Vincent D’Antoni, Harry Deas, Maurice Picheloup, and Jack Daray, finished the season by breaking even in intercollegiate play.

In the first match of the year, Tulane lost to the Tigers by a 12-6 score. D’Antoni and Picheloup lost by 2-1 scores while Daray got a draw and Deas was the only Tulane winner.

The Wave golfers came back strong from their L. S. U. defeat to down the University of Mississippi golfers in a one-sided affair, 17-1. The Greenies were led by their No. 2 man, Harry Deas, who scored a beautiful win over his opponent and was low man for the day. D’Antoni and Picheloup each won by 3-0 scores, as did Deas, while Daray won by a 2-1 score.

In the Southeastern Conference tournament, D’Antoni met L. S. U.’s Henry Castillo in the semi-final round. The match ended in a 4-3 win for Castillo and he went down in the final round at the hands of the Georgia sophomore, “Sonny” Swift. In the tournament Daray was runner-up in the first flight, being nosed out by the captain of the Ole Miss team.
The newly organized Intramural Council is certainly to be congratulated upon its work this year. They started things off with a bang, sponsoring intra-university competition in nearly all sports.

Several contests for individual ability have been held. A prize was awarded to the person scoring the most free throws in basketball. An award also went to the boy who could throw the football the farthest.

The cup, which is awarded each year to the team winning the most points, went to the sophomore class of the College of Medicine last year.

This year the competition is very keen, and at this writing the outcome is hard to predict.

We have tried to give a wide and varied coverage of intramurals at Tulane. For this purpose we kept our photographers busy around the gym. Scattered over these pages you will find represented handball, baseball, football, tennis, track, rowing, swimming, and basketball. Some represent interfraternity events; others, the contests sponsored by the Intramural Council.
SPORTS AT NEWCOMB

Newcomb's well equipped department of physical education offers a variety of sports in a year round program.

All freshmen must take the prescribed athletic courses, continuing with one elective through the junior year. Many seniors keep up these courses of their own accord.

Each year there is interclass competition in basketball, hockey, and swimming. For trophies in archery, tennis, bowling, badminton, ping pong, shuffleboard, fencing, and deck tennis a spring tournament is held.

There are also classes in folk, tap, and modern dancing culminating in the dancing classes' annual May Day Pageant.

Gym Night annually displays the stars of fencing, tumbling, apparatus work, and Danish gymnastics.

This Spring, horse-back riding was added to the curriculum.
ON THESE PAGES MISS NEW-COMBITE IS SEEN ENJOYING VARIOUS SPORTS. PICTURED HERE ARE SWIMMING, HOCKEY, ARCHERY, BADMINTON, AND TENNIS. ALSO INCLUDED ARE SEVERAL SCENES FROM THE ANNUAL MAY DAY PAGEANT.

We believe in the tenets of abiding truth which is the guiding star of our Order. We believe in the helping hand which is the bar which binds us in our calling. We believe in the unity of service to one another which lends to the weary a word of cheer, to the poor a portion of our share, to the weak a need of pity, to the stricken a voice of comfort, to the old a memory of youth, and to the wayfarer a help along to the journey's end. Our emblem will always be an inspiration to duty, remembering it stands for excellence in all things, purity of purpose and honesty of method and effort, with the blessing of an Alma Mater upon each who bears our badge of honor. May our lives lie among the stars which light the way to the great mystery, and may we so live that when we reach the end of the road we may find the veil, which parted leads to the heights of everlasting peace. Sic ad astræa!

The Oratorical and Debating Council sponsors all debating at Tulane. It is composed of all varsity debaters in the University, and members of the Faculty Committee. It conducts the Varsity Tryouts, and arranges home debates as well as those on the road. Freshmen debating is encouraged by the presentation of keys and cash prizes to the outstanding freshmen debaters.

Phi Lambda Pi, national honorary and social fraternity established on the Tulane campus in 1937, is the only organization of its kind in the United States. It was founded at L. S. U. March 12, 1935, and only the two chapters at Tulane and L. S. U. exist. The purpose of the organization is the stimulation and encouragement of higher education among married women students, and the development of friendly relations and social contacts among this group.

YMCA Makes Plans for New Novel Party

Dance Club Will Throw Cocktail Party

The YMCA, campus dance club, has at last decided to give something other than the usual run of parties, announced Mr. Bourbon Gay, secretary of the local. "The idea is," Bourbon went on to say, "that the students think that our boys are a bunch of goody-goodies. This idea must be removed from the minds of every one on the campus. Of course, they may not smoke, cuss, etc., but they can play checkers, etc., with the best of the bunch (of sour grapes no doubt)."

Saturday night of the next week the proxy of the club, stated that this party promises to be better even than the fraternity costume affairs, and this is going some. The way that this party will excel will be that all of the drinks are on the house. "In order to dispel this mistaken idea that all the stewsheads have of us, we are going to give them 100% proof grape juice, and our boys will shine that night," Mr. Namly-Pamby stated.

This party has been planned with the idea of giving up the annual international tea, formerly held by the organization, to discuss and ridicule the foreign element in the university. "This one and only function, other than dances, marks the turning point in the life of the YMCA on the campus. Why, after this lovely (?) affair, the Student Council will be certain to cut out our appropriations for next year, doing away with us," stated Mr. Pater Burnhard, another officer of the group, who rolled in at this point on a pair of dice.

The frolic planned by the club will be held immediately after the opening of their new club-room in the Center, and will be brought to a joyous conclusion with a wiener roast on the levee with the Newcomb group, who will give poetic readings by the fireside. The president of the Newcomb local was unable to be contacted at the time of this interview, as she was busy getting in touch with the other member of her organization.

Plans for future good times will be discussed at the next meeting of the club, which will be held in one of the local joints, some nearby drug-store. The feature of the next gathering will be a short prayer by Brother Alex von Minoeograph, who will talk as long as the other two members and the secretary will allow.

Impressario Indicted on Triple Dipping and Arrested on Charges

Fish Fryers Plan To Fry Some Fish Will Entertain Newly-Elected President

The Tulane Temperance Union, campus cutups, announce that they will entertain J. M. Plogle at their next meeting. Mr. Plogle is the national president of the Union. Henry Alcott, local No. 32376, and well known for his moderation too, announces that the organization will have as its guests at the time all the young ladies from the School of Social Work.

This meeting will be in the form of a fish fry, and general clam bake, and will be held on the levee, where these men usually hold forth, if not fifth or sixth. Henry Flowery, the secretary, said in a press conference today, "We may be temperate and all that, but it does us no good to expose ourselves unnecessarily to the wiles and ways of beautiful women. That is why we have invited the Social Workers."

The meeting of last week might well have been called "Alumni" night, because a few of the older members, all pillars of propriety and sobriety, were present. These men passed a resolution requesting the local confectionary to be stocked with 12% wasp-scarpilla. Virgil Lambert, who fostered the resolution later said, "I'm getting tired of having to go down to CENSORED to get mine."

Archie Toggs Out on $20,000 Bail

By J. Puddleston Teeth

New Orleans, May 1 (P.P.)—Indictment charges against Archibald Raymond Toggs, Hullabaloo impresario and playboy, of Hellot Bechnell, for triple dipping in violation of Federal Statute 239, fragment (c), were returned Wednesday by a local federal grand jury, sitting in New Orleans.

Toggs was taken into custody following issuance of warrants for his arrest that grew out of the charges. He was released on $20,000 bond, signed by Dan Moon, governor-elect of the state, and presented by T. Bail Toggs, local attorney, prominently mentioned for the post of United States representative from Louisiana, since the election of Moons in February.

From the facts alleged, in the true bill returned Wednesday, it seems apparent that Toggs will face most heat from charges growing out of his alleged acceptance of monthly subsidy relief checks from the federal government at a time when he was coining more money than any student boss in the history of the 100-year institution.

Benny V. Oscar, United States district attorney here, said Wednesday that Toggs would be brought to trial within the next few weeks since the return of Dan Moons' inauguration in May 14.

"This is essentially vital, important, and exciting," said Mr. V. Oscar, "in the light of culprit Toggs' statement that quote they'd better get me before May 14, because after that date my brother T. Bail Toggs is gonna be in a position to tell you and the government to go to (censored) end quote."

While the assurance that trial would be comparatively free of political interference, local legal circles buzzed Wednesday over the possibility that Toggs would be brought to justice for his alleged violation of federal statutes controlling the dispensation of National Youth Administration Funds.

Seek Peace, chief of the Beta detective agency, said Wednesday that "other rackets of which Toggs is the spearhead or dominating figure—in fact, to elucidate and to wit, the undercover man—on the campus are: (1) the pop-selling concession at Saturday afternoon football games, (2) the Hullabaloo rakes off, (Continued on page 216)

Students

I was looking over the campus the other day, and I didn't see any junk whatsoever thrown over the campus. What's the matter with the coke bottles and sandwich paper? Let's make the campus look more homey. Co-operate, huh?

Paul
Let's Abolish

The Honor System:

For many decades now, Tulane students have been taking quizzes and examinations under the honor system, and getting away with it. We feel that it is a blight on our honor to have any system whatsoever, except with the girls. To admit of an honor system, is to admit that without some system, we would be tempted and willing to cheat. Such presumptions are preposterous. Why should we cheat? The only sure way to cut out cheating, is to cut out examinations and quizzes, which brings us to our next point.

Confucius says "Man who sit on the tack better off." This is our own predicament today, fellow students. We are worrying and fretting about all of these "memory testers" and we don't have a fair chance to show our stuff. We can't show just how little we learn in the classes of drooling professors.

This sheet has received request after request from students who were almost caught violating the system to try to get the proper authorities to do away with it. So we request that the proper authorities, who can't read anyhow, please notice what has been expounded in this mighty (meaning swell like the editor) article. Can we do without the honor system? Sure Mike. Can we do without honor? Sure. Can we do without this article? SURE.

The Twadder

Is it all right what we say as long as we spell your name right?

Well, it looks like wedding bells for Hi-School Harry Lathrop and Baudy Smith in the offing, unless Baudy and Baby Walt Jung have some agreement between them, and this seems to be the case. It is remarkable how Harry's popularity has fallen off since he is in the "married" class.

If anyone wants to see Bill Wallace burn, just ask him why everybody calls him "Coachman."

He: "Do you know what the burglar who broke in the Kappa Sig house (?) got?"
She: "Yeah... pledged."

The only brass ring Mickey Carso ever got from Letty Miranne's merry-go-round is the one he weaves through his nose.

What does Ralph Rugan have on the ball? For the past year now all of his embryonic duties have gotten married or expect to be to somebody, and WE DON'T MEAN RALPH EITHER.

Karl Clauset is still foot-loose and fancy-free, but it ain't cause he wants to be, but he can't get to first base with any of the lasses. Could it be his fraternity or his past campus life? An orchid to Clauset from Clauset. adv.

THE DIRTIEST TRICK OF THE YEAR: Lloyd Fremaux and George Timish pushed a fellow student's auto in front of a fire plug, at one of the pep parades downtown, just to get even for the other guy who had the advantage over them with respect to a certain young lady's feeling. Fortunately, it didn't work.

By this time, the Delta contest us to who could make the most long distance calls to the L.S.U. Girls Dorm, has been called off, since Phil Jahncke doesn't have to call there any more. Why????

Note: Bill Monroe likes Bill Monroe.

Eddie Martin, Buster Curtis, and Stogie Ducoeur were seen recently drinking milk. This gossip must have been seeing things.
IN SOCIETY
By Pansy Flower

It seems that the social life here at Tulane is picking up. There were numerous parties this past week-end, and from all reports all attending had a wonderful time. Don't think that I was at all of them, because I wasn't. I get the invites, but I can't seem to be able to get an escort to take me, not that I blame them, however, for who ever saw a good dance, other than the frat dances, e.g. Phi Delt, PiKA, Beta, KA, DKE, ATO and Phi Kap?

DEKE ALUMNI PARTY
The Dekes gave a big drinking party Friday night for all old grads. Newcomb was well represented, as usual. Seen under the table in the corner were Al Terkhule and some babe. She couldn't have been a Newcombite, cause none of those would be seen with him, except the Thetas.

PI KAPPA ALPHA FAIS DODO
Again excelling in the way of parties, both dance and drink, was the PiKA Cajun Party. All the guests were making merry, but the Pikes were making some Cajun babe who was in the vicinity of the bar. Quinby Sloan and Corny Varny led the chapter in their drinking song which took up most of the time of the dance. Among those invited and attending were Edith Smith, Eulalie McKay, Charlotte Carter, Baldy Smith, Petie Porter, Jean Restrick, etc. Among those attending but not invited were all Thetas and Beta Sigs. Among those not invited and not attending were those members of the YWCA who just don't touch the stuff anyhow.

By Sick Cipher

At the outset, let me say that Horace Renegar is the best friend I ever had.

Tulane University has a president, which wouldn't be a surprising revelation except that Dr. Rufus C. Harris, the president, goes to bat for the football players every time they get two stubbles called on them.

Horace Renegar is the best friend I ever had.

Coach Claude "Little Sak" Simons, who is probably admired and respected by more students on the campus than anywhere, is an extremely good coach. He, also, is a friend of mine. Why not make him one of yours?

President Harris goes to bat for the boys. Yes, and Horace Renegar is the best friend I ever had.

Friend Johnny Dirmann, the best boxer Tulane ever produced, writes letters. In fact, my friend, Johnny Dirmann, writes letters to me because he's the best friend anybody ever had.

A friend is a friend as a good friend is a rose. Think not of the sweet boy who will not use sweet soap, but only of the friend who will not use soft soap. Such a friend, being a friend is a friend, and shall be a friend, whether he uses yellow soap, ivory soap, red soap, tar soap, or lux, and it is my contention that he who droolith hypocritically hath taken unto himself the use of soft soap; therefore he is no true friend. But if he is stand and faithful, he is a friend such as no other man can possess.

Horace wouldn't use soft soap; he is the best friend anyone ever had.

Incidentally, Doc Smith is the best friend someone ever had.

Incidentally, also, President Harris whiffs for the gridders and Joey Archibald is sensational, and Boggs is a spook, and Horace Renegar is . . . (Betcha can't guess.)

Orchids to Newcomb Student Body President, Charlotte Carter, for she knows how to run things. (She gets orchids too, and they ain't printed ones.)

Incidentally, Boggs is the best friend no one ever had, and that goes double for me too, making it mutual.

Horace Renegar is the peach of a fellow. He's friendly too.

When a man is down and out
He doesn't go to a racetrack tout,
He clamps his jaw, saying grrrr,
And goes to see Horace Renegar.
(Phew! Things never sound as good in print as they ought to.)

NEWCOMBITS

By JANICE O'LEARY

The YWCA has planned to make the last month of school their banner year. Lillian Alexander and her steoge, who comprise this high and exalted order of girl goody-goodies, will have a meeting to plan how to suck the freshmen into the organization before they come to Newcomb, just like several of the sororities, which I know of.

The Dance Club held a jolly May-\-Day celebration with all of the girls participating in the various dances. The theme was Rumplestiltskin, and many of the girls gave good exhibitions of dancing.

It's a shame that they can't dance as well at dances, but it seems that they all can follow only themselves.

The Archery Club got some bows this past week, lucky girls. I wish I had a bow. With all of the bows, the girls had a few shots, so in no time at all everyone was having quite a time.

A lemon to Mr. Klime for his musical interpretation with the Glee Club of the One O'Clock Stomp. It is quite a classic, and I feel sure that after the hep-cats get wind of it, they will be jive-unconscions for time to come. In fact, after one of his arrangements, they will be absolutely off music for life.

NOTED SPEAKER TO ADDRESS NEWCOMB

"Dr. Ray J. Pankham, noted biologist, will give a series of lectures before the Newcomb student body," Charlotte Carter, president of the Newcomb student body, said. He will speak on Tuesday and Wednesday of next week.

His subject for the first lecture will be "The love cry of a mating clam and how it developed," while on the second day his talk will be on "A critical survey of the sex life of a Polyp."

Dr. Pankham will be remembered for his very interesting lectures delivered here last year by the Western Union boy. The addresses notably contained several numbers which on further investigation proved to be the numbers of several "hokay" women about the campus, said numbers being very beneficial to the several of us who heard his lecture.

Both of these lectures, however, are being sponsored by the YWCA, unfortunately. The public is invited but warned to stay away. As Miss Carter said, "He's such a bore."

CORSAGES OUR SPECIALTY

Patronize Our Patronizers

Listen, fellows, for many a year now this rag has been run with the money thrown into it by the suckers who think that this sheet offers much advertising value, due to the line I hand them all. So youse guys further the good work of the paper and my commissions by buying your goods at the stores and crook joints advertised by us in the weekly issues, mentioning the magic word, "Hullabaloo."

Why, just think how popular the above word will be when it is used so profusely by our numerous students, when they purchase their drinks and smokes, not buying anything else. Why, we can even make the people in this great and glorious city Hullabaloo conscious with little or no trouble. But then, if we make them this conscious of the Hulla, then they may realize how terrible it really is and then not patronize us any more. If we are not patronized, we can have no one to patronize in turn, so a word to the wise is sufficient.

FOR STUDYING OR READING
You Need More Than "Just a Lamp"

PROTECT YOUR EYES WITH AN I.E.S.® LAMP

It's an astonishing fact that 40 college students in every hundred wear glasses or should be wearing them and in nearly every case this defective vision can be traced to eyestrain caused by poor lighting. Your eyes can be damaged by poor lighting—sometimes permanently—before you realize the cause.

For studying or reading, eye safety demands more than "just a lamp." You need an I.E.S.® study lamp, scientifically designed to give you an ample amount of light at just the right height and spread, shadowless, glareless, and restful. See them on display at

IN MEMORIAM
In revered memory of our erstwhile chum(p) and colleague, John Anthony, who has deserted our ranks for the lower types of spiritual intellect and stimulation. He has smoked a cigarette and danced. Oh, Johnny, how could you? We miss your lifting voice, which has put so many people to sleep. We miss your quaint mannerisms and odd eccentricities, which we had grown to love. Oh, Johnny, why did you depart from the straight and narrow? Why did you debase yourself? Please come back to us, please, huh?

BOYS OF Y.M.C.A.

HE GOT THE LAST LAUGH

Some 40 years ago a scientist named Herman Frasch proposed to pump hot water into the earth. At certain spots deep underground were deposits of sulphur. The hot water, he said, would melt the sulphur which, in liquid form, could then be pumped in pipes to the surface.

For years past, the sulphur had defied all efforts to mine it. And, hot water or no hot water, the skeptics and jokers insisted it would continue to defy all efforts. One "expert" even offered to eat every ounce that might be extracted.

In fact, even after Dr. Frasch did pump the first sulphur from a Calcasieu Parish deposit, the skeptics' chorus continued. The mail boy who drove him to the railroad the next day remarked, "Well, you pumped sulphur sure, but nobody believed it but the old carpenter and they say he's half crazy."

But Dr. Frasch—fortunately for the world—got the last laugh. His process worked. And eventually, with the improvements that followed, Gulf Coast sulphur production came to be measured—not in the ounces the skeptic promised to eat—but in hundreds of thousands of tons.

Today, Frasch process sulphur is hastening Louisiana's industrial growth. It provides a plentiful raw material necessary in the creation and improvement of products and processes in the factory and on the farm.

And with Louisiana's industrial progress, with the establishment of new productive enterprises, come steady employment, larger payrolls, a higher standard of living—and greater opportunities for the young men and women of the state.

MISS FEW AIN'T GOT MANY
REGISTRATION FALLS OFF

The registration of the students at Neckomb has fallen off, according to Miss Annie Few, dean of things and stuff. It seems as though the majority of the students either find it too hard or find a sucker and get married, or both. According to this illustrious soul, as she took a snort, the college will apparently be extinct in the near future, unless the government puts a ban on woman-hunting, and makes them all remain single until they can finish their courses.

"It is unfortunate that we lose so many girls during the year," said Miss Few, "because they all seem to be so nice, and then before you know it they are married." The assistant registrar, Mr. Fred Hardensoft, verified the statement, while playing his fiddle in the new symph. or simp. band, newly formed band for the teachers and those students who need to pull aforementioned persons legs.

Pleading before the Judge:

KAPPA ALPHA: “Suh, how could we remain respectable when you think who our neighbors are? Besides, the rowdiness you heard was just the tea-girls feeling a bit more at home since we took down “Welcome” and put “Step-In” above the door. And because we have several black and white affairs even though we are southerners, is no reason to keep us here all night, suh.”

BETA THETA PI: “Now Judge, we didn’t mean any harm. You can see we’re sweet boys because we still wear baby pink and baby blue and the big noise we were making was just the finish of our back-to-nature swimming party. Besides, since all our football players are leaving us, we’ve got to do something to keep our mothers rushing for us.”

A Treatise on Several Pins of the Sororities

KAPPA KAPPA GAMMA: This key will unlock the doors of New Orleans society to you. But to keep them open you will find it expedient to get down on your knees nightly and pray for another Kappa debutante year like the last one. To the members of this society beauty no longer counts—they have had their quota in the beauty section (besides they have enough frills and ruffles represented) and now they are out for brains. If you accept this key, you will immediately go into training for Phi Beta Kappa.

KAPPA ALPHA THETA: This kitish looking pin inspires its members to nonchalance. After an embarrassing rushing season, they don’t reach for a Lucky, but just say, “We have met our quota.” This is the only true fraternal organization on the campus, the true haven for little sisters, but there is a limit for every family even though kites know no bounds. One of Newcomb’s outstanding (?) modistes who wears this pin, imports her wolfing and gold-digging style from New Orleans and has more than one boy on a string. (Guess who??)
"The Land Flowing with Milk and Honey"

Extending from the City of New Orleans on the north to the extreme lower end of the Mississippi Delta, projected into the Gulf of Mexico on the south, lies one of the most fertile and attractive areas in the United States.

Free from damaging frosts, Plaquemines Parish is the home of the "Louisiana Sweet" and navel oranges—the most delicious citrus fruit produced in the United States. Its farms produce an enormous quantity of vegetables and the world famous "Creole Easter Lily Bulbs." Fur-bearing animals abound in its marshes, and the myriads of ducks and geese that flock to its ponds and lakes each winter together with its famous fishing grounds make it a veritable sportsman's Paradise. Free sites on inland waterways are available for canning of shrimp and oysters, which is a profitable industry in this Parish. The mining of a huge supply of crude sulphur by the Freeport Sulphur Company, together with oil, natural gas, and salt which abound in this Parish increases its opportunities for industrial development. The Parish has a long line of Harbor frontage and industrial sites are served by ample highway, waterways and rail facilities. Lowest property taxes in the State. Tax exemption for new industries employing Parish labor.

A Rushee's View of Several of the Frats:

The Kappa Sigs, boys. That lodge is a kick in the pants. If you think I'm country or any of them rednecks that live down in the hollow, well, you ought to see the Kappa Sigs. Even their city boys are country. All except Pancho Del Mormol—he's a sport(?). Y'know what he does? He keeps all the rushees entertained by playing cards with us. Yeah, for money. Yeah. He and some other fellows. Pete Bernard and Bill Tete usually play too. I couldn't pledge, however, for I couldn't register after they took my money, but I think they play straight, except Del Mormol.

Then you have the Phi Kappa Sigs, which I wouldn't join, not after that guy Reese tried to make me. Howie Kuntz is in there too. Henry Bultman has been in there four years and knows most of the boys in the fraternity. They pledged a couple of football players and keep a stray Greek there, but I am after bigger and better things.

Editor of Hulla Arrested for Plagiarism

Oughtin Sphit, editor of the Tulane Hullabaloo, was arrested after the issue of last Friday, for plagiarism of press articles of the Assassinated Press appearing in said issue. Sphit claimed that he wrote the articles in the national news service. It was highly doubtful, however, that the editor of the weekly sheet could be capable of writing anything good enough to be used in the daily papers.

Sphit was incarcerated in the third precinct in an eastside room. His bail was set at $5,000, which, it was learned from authoritative sources, would be sufficient to guarantee him a long stay in his summer home. Sphit will be missed by his friends in classes, but least of all by the Hulla staff, which promptly gave a party in celebration of their liberation.

Bloodworth Makes All-American

Bloody Bloodworth, it was learned late today, has been awarded a place on the All-American Team of Bores. He joins the ranks of several of the immortal professors on the campus in attaining this achievement. All of the students will remember Bloody for his lively and exciting and vivacious speech or diction around a chessboard or in class, pulling the legs of all. Bloody feted the arrival of this honor with a huge party for his friends at a near-by campus gathering spot, and served them a spot of tea. Those of the older student body ran in several drinks on him, making the bill too high, and causing Bloody to wash glasses for one day in gay retribution. Three cheers for Bloodworth!!
