The Pictorial Story
Of the Campus Life
And Activities of
Tulane University
Edited by Pat F. Bass
TO DEAN PAUL BROSMAN—A NATIONAL FIGURE IN LEGAL EDUCATION—BELOVED BY STUDENT AND COLLEAGUE ALIKE—WE PROUDLY DEDICATE THIS VOLUME. A DOCTOR OF JURIDICAL SCIENCE FROM YALE, THE DEAN OF THE COLLEGE OF LAW IS A RECOGNIZED LEGAL AUTHORITY, WRITER, AND SCHOLAR. IN ADDITION TO BEING AN INSPIRATIONAL TEACHER, DEAN BROSMAN POSSESSES ALL OF THESE QUALITIES WHICH THE STUDENTS BEST DESCRIBE AS BEING "A REGULAR FELLOW."
Rufus C. Harris
Greetings FROM THE PRESIDENT

This year at Tulane has seen notable progress in intellectual activities. We have now a magnificent new library building, with the finest of modern equipment well designed for library use. The intellectual stimulus this has given both faculty and students is apparent. The gift of and the completion of the Thomas F. Cunningham Memorial Observatory will provide the stimulus to awaken the curiosity of many along new lines of thought and investigation, since the opportunity is thus provided for work in astronomy. The increased emphasis on social responsibilities in business administration and the need for professional training for executive positions has tried the facilities of the College of Commerce, but its needs have been fulfilled through the gift of the Norman Mayer Memorial Building, which has been started this year.

The completion of the Student Center Building, a gift of the alumni which it has been your privilege to enjoy during your university days, has made possible a better Student Activity program. There must be an attempt at all times to correlate such activities with the broad educational program of the University, rather than to treat these activities as separate entities apart from the whole. Some of the essentials of a successful college career are an earnest, serious-minded devotion to curricular pursuits, an identification with constructive extra-curricular campus forces, the development of wide and varied interests, the formation of lasting friendships, and the display of a friendly cooperative spirit in all campus relationship. Such activity is worth the effort. In that way only can you fully take advantage of the opportunity which is yours in Tulane today.

RUFUS C. HARRIS
Events of the Year

The 1940-1941 school year has been an expansive panorama. • The first building completed and dedicated was the Student Center, given to the university and the students by the alumni. • This beautiful recreational center has been thoroughly enjoyed by the students at large in the hours of leisure. • Next came
THE HOWARD-TILTON MEMORIAL LIBRARY WHICH WAS COMPLETED AND DEDICATED IN THE SPRING. • THIS MODERN LIBRARY BUILDING IS FURNISHED WITH THE LATEST EQUIPMENT FOR COMFORT AND EFFICIENCY AND IS AIR-CONDITIONED. • IT HOUSES THE NEWLY COMBINED HOWARD, TILTON, AND NEWCOMB LIBRARIES AND IS ONE OF THE FINEST IN THE SOUTH. • CONCURRENTLY THE THOMAS F. CUNNINGHAM MEMORIAL OBSERVATORY WAS UNDER CONSTRUCTION AND IT WILL HOUSE THE PICKERING TELE-

Events of the Year

SCOPE, A VERY FINE INSTRUMENT. • THIS OBSERVATORY IS TO BE USED BY THE UNIVERSITY AND ALSO THE GENERAL PUBLIC IN THE STUDY OF ASTRONOMY. • TOWARDS THE END OF THE SCHOOL YEAR GROUND WAS BROKEN FOR THE CONSTRUCTION OF THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION WHICH WILL BE LOCATED BEHIND GIBSON
HALL. • THIS NEW BUILDING WILL BE KNOWN AS THE NORMAN MAYER MEMORIAL BUILDING AND WILL BE READY FOR OCCUPANCY DURING THE NEXT SCHOOL YEAR. • WHEN THE TILTON LIBRARY HAS BEEN MOVED TO THE NEW QUARTERS, THE OLD BUILDING IS TO BE REMODELED AND DESIGNED FOR A MODERN LAW SCHOOL BUILDING. • THUS AT LAST AN OLD DREAM WILL BE REALIZED! • ALL IN ALL THE 1940-1941 SESSION HAS BROUGHT ABOUT A LARGER CONSTRUCTION PROGRAM AND A CAMPUS MORE BEAUTIFUL.

This year saw the advent of an Orientation Program at Tulane. Above is pictured Graham Bonnell, a student leader, showing one of the groups of Freshmen around the campus.
In this volume we have attempted to record one college year, from registration of the first Freshman to graduation of the last Senior. May our efforts meet with your approval.

Some Recent Views

NEWCOMB IN THE SPRING
The Student Center, the first of the new buildings to be completed this year, is a fine addition to our campus. It has become the center of student life. All activity heads meet here, and it is the heart of extra-curricular activities. There are recreation rooms, lounge rooms, and games of all types for the students.
McALISTER AUDITORIUM

Some New Buildings

TULANE's NEW STADIUM
STUDENT CENTER
The Tulane Student Council is composed of the presidents of the various colleges of the University and has general supervision over all student activities. The Council is assisted by the Graduate Manager of Student Activities, a position now held by Kendall H. Cram, B.A., M.A.

Members of the 1940-41 Student Council are: Conrad Meyer, III, President, Arts and Sciences; W. Samuel Williams, Vice-President, Medicine; Joseph W. McCarron, Jr., Secretary, Engineering; Graham Charles Bonnell, Commerce; Carl Dailey, Law; and Kate Hodge, Newcomb.

It is the duty of the Graduate Manager to supervise and keep an accurate record of receipts and disbursements of each organization benefiting from the student fund, to act in an advisory capacity to all student activities, and to act as the agent of the Council in all matters.

At the beginning of the school year, the student activities moved into offices in the new Student Center. The erection of the Student Center building has fulfilled a long-felt need in student life at Tulane.

Young Men's Christian
ASSOCIATION

Throughout the many years of association with the men of Tulane University, the Young Men's Christian Association has drawn a straight line from student life on the Campus and the highest ideals of living. Its members have followed closely along that line, using powerful intensive service as the keynote of outstanding social action for the community.

Of all of Tulane's organizations, none has ever offered a scope as broad and inclusive as the cultural, educational, and service programs of the Tulane "Y." Year after year, the finest of character-building training has been presented to hundreds of persons who
have joined regularly into the scheduled activities designed to create better feeling among faculty, students, and the general public. Not a single student graduates from Tulane without feeling at some time or another the surging influence of the "Y." Non-sectarian, the "Y" invites into its membership all students who are genuinely interested in the ethics and spiritual truth of the Christian Faith as evidenced in practical daily living and social responsibility.

The spirit of the University is ever reflected in the high mental, physical, and moral code that has made of the Tulane "Y" one of the outstanding groups throughout the country.

A "Y" man steps out into the world with better preparation to meet the problems of life because of his background in morality, industry and high personal ambition.
The purpose of the Tulane Alumni Association is to stimulate the interest of the thousands of alumni through the land, keeping them informed on university affairs and acquainting them with the activities of their former schoolmates. The association has grown into an active and powerful national organization.

Membership in the association is open to all graduates and former students of the University and is granted upon application alone as dues were abolished in 1940. All loyal Tulanians are urged to become members of the Association.

The Tulane Alumni Association has gradually developed into a serious, mature alumni body with active groups in every part of the nation.

Dr. Harris meets with the alumni of California
"The Tulane Hullabaloo" is the official weekly publication of the student body of Tulane University. The "Hullabaloo" is edited and financed entirely by students, under the direction of an editor and a business manager appointed yearly by a Publications Board.

Probably the greatest achievement of the 36th administration of the "Hullabaloo" was the delivering of the knockout blow to the idea of a semi-weekly, with the purpose of creating another weekly publication. For many years editors and business managers have discussed the desirability of more frequent news publication on the campus, with the desire of having the "Hullabaloo" appear twice weekly.

Their noteworthy suggestions were about to be put into effect through the efforts of a special committee of the Publications Board, when it was learned that Federal Postal Regulations would make a semi-weekly financially impractical. However, a disappointed but determined committee, abruptly changed their plans to consideration of two weekly papers, retaining the "Hullabaloo" as one of the issues. Plans and investigation were made for changing the present large size paper into a smaller magazine format. A final decision has not been made as the "Jambalaya" went to press.

Some of the major changes and achievements of the "Hullabaloo" this session are listed. We used more pictures than have ever been used in any previous issue of the weekly; a new type was adopted with a more "radical" eye-catching make-up; less play went to the faculty, more to student and student organization; a burlesque issue was published after a lapse of one year. Our Christmas fund exceeded its quota. New offices for the "Hullabaloo" were established in the Student Center and a plaque with the editor's name was hung. The first formal "Hullabaloo" banquet was held, with the graduate manager of student activities, Kendall Cram, and high student officials present.

Much credit for all that the "Hullabaloo" was, or might have been, rests of necessity with the business staff, which proved a major portion of the paper's income. Our appreciation is also expressed to the students of the department of journalism for valuable assistance rendered in providing proper coverage in the field of campus news and features.

This organization numbering eighty players, appears at all football games, marching in formations at the half and providing music in the stands during the game. Special arrangements of popular tunes, old and new, peppy marches, and Tulane songs played in the stands, do much to fill in the "time-outs" and to provide a musical background for each game.

Numbering sixty players, this organization draws its personnel from the eighty-piece Marching Band. It is the primary purpose of this organization to present to its audiences, programs of the highest musical standards. In addition to its Annual Spring Concert, the Band has given several concerts off the campus.
It is the primary purpose of this organization to provide musical enjoyment through participation to those members of the University who play an orchestral instrument. It is our further purpose to develop a notable organization which will present to our audiences programs of the highest musical standard.

Among other activities the Orchestra gives at least two concerts per year; one in collaboration with the Tulane-Newcomb Choral groups, the other being the Orchestra’s own Annual Spring Concert.

MAYNARD KLEIN, Director
Last year the Theatre ended its season with an excellent production of the comedy "Boy Meets Girl." "Criminal at Large," a melodrama, was played to capacity audiences and thus started the most successful season of this group. For the production of "Barkeley Square," the second show of the season, there was "standing room only" at both productions and this drama was so well received that there will be a three-night production of the next and final show. This last show will be the very recent Broadway success, "Male Animal," and is at this writing being rehearsed for production in May. Dr. Monroe Lippman has accomplished the impossible in his four years with the Theatre and has woven a closely-knit organization which is now recognized by the entire South.

Our aims are to do our utmost to lend significance to the term "Arts" in the phrase "College of Arts and Sciences"; to present the best drama of which we are capable, in order to educate our students in the skills and arts of the Theatre, and to provide our audiences with a good theatre.

The first Fraternity was founded at Tulane in 1858 and the latest addition this year brings the total to 19. The Fraternities are governed by a Pan-Hellenic Council composed of members from the various Fraternities.

The year started off with a nerve-racking "Rush Week" which gave way to Fall Formals and informal parties after the football games. After the Christmas vacation, exams began with "Hell Week" following. Spring soon came accompanied by the traditional tea dances and Spring Formals in which all Greeks took part.

The annual Pan-Hellenic Dance, held in April, proved to be one of the best dances of the year.

Tulane Sports

The athletics for the 1940-1941 season has proved to be a year of training for a large number of new men, and although the year as a whole was not successful, the Wave now has excellent and experienced material in every field of sports.

In football the Greenies had been played up as one of the strongest teams in the nation. But this pre-season dope did not figure on the loss of much-needed line strength by way of injuries. The Wave ended its season by winning five and losing the same number.

The Wave basketball squad showed much improvement over past years, and finished the season with eight wins to five defeats. Not one of the losses was bad and the fans saw the highest brand of ball.
The track team was again led by Millard White and with the added help of Vosburg, Golomb, and McGee the team placed seventh in the Conference.

The tennis squad netted three wins, a tie and five losses with their sophomore racquetteers, and came out third in the Conference with seven points.

The baseball nine lost almost all their games but turned in some enjoyable performances against Northwestern and L. S. U.

Tries by the golf team proved to be consistently unsuccessful and the Wave lost every match.

Intramural activity was extended to the quieter games as well as the vigorous forms of recreation, and the Intramural Council has tremendously popularized this field.

The Green Wave started out on the 1940 season by losing to a vastly superior Boston College team to the tune of 27-7. The Greenies, sorely missing the services of Co-Captain Tommy O'Boyle, were no match for the Eagles who had one game behind them. Outstanding features of the game for the Tulane fans were the determined fight that the Wave put up even to the last minute, and the play of Charley Dufour and Bubber Ely. Dufour, junior tackle, played a veteran's game, and Ely, sophomore left half, was a shining light and he went over from the seven-yard line for the Wave's lone marker. Defraites in the line and Cassibry at right half also showed promise for the coming games.

The game was a heart-breaker for all Wave followers because at that time no one realized the Eagles' true power, and all had hopes of another undefeated season for the Greenies as a result of pre-season build-ups. No one knew at that time that there was more disaster to follow as a result of fate and injuries.
Harry Hays makes a wide end sweep against Auburn

Through the air for a touchdown—for Auburn

ROMAN BENTZ, Tackle

ERNEST BLANDIN, Tackle
AUBURN

Another off-shore breeze blew the Wave out to sea, and the Plainsmen from Auburn went by with a 20-14 victory. Highlight of the game for Auburn supporters was Chalkey, Plainsman tackle, stealing the ball from Harry Hays on an attempted pass, and then racing down field for a score. Bright spots for the Wave were Ely and Dufour again, and Thibaut, powerful fullback who with Ely sparked the Wave to a sixty-nine-yard touchdown march. The Plainsmen, sparked by Deal, Cheatham, and "Dynamite" Dick McGowen, played heads-up ball all the way and capitalized on every break. The Wave got behind 13-0 in the second quarter, and only by grim determination fought their way up to 14 points. Their fight in the face of overwhelming odds was still the most heartening feature.

FORDHAM

This game exploded completely the theory that lightning strikes only once, and proved that bad luck never comes once but three times. The Greenies traveled all the way to New York to take a 20-7 drubbing by Fordham's Rams. The game was marred by rough play and poor officiating, but the ultimate result of this was another determined fight by the Greenies in the second half in an attempt to overcome these handicaps. The Wave fought to the bitter end with "Lighthorse" Harry Hays hitting his old form. But even Harry's great playing, and he was truly great that day, could not overcome the tricks of fate and a hard-hitting Ram aggregation. The statistics favored the Wave, but the scoreboard didn't, and the Greenies left New York wondering when the breaks would come their way.

TWO MORE DEFEATS

Pep meeting before Auburn game
Thibaut pushes over against Rice

WILLIAM BRINKMAN, End
NORMAN BURWICK, Guard
RICE

Tulane, 15; Rice, 6. The Wave surged back after three successive losses to trim the high-flying and favored Owls in a spectacular game. Led by Harry Hays and Jimmy Thibaut, the Greenies quickly recovered from the six-point lead that Rice took early in the game, and went on to victory. The Owls, off their week-old victory over L. S. U., were favored to hand the Greenies another drubbing, but the highly touted Weems and Keel never got rolling. Hays was truly in his stride, and Thibaut began to show the form that caused fans to call him the greatest fullback in Dixie. Lou Thomas made his bid as a rival to Ely for sophomore star, and the dependable Al Bodney, along with Blandin, Dufour, Mandich, and Flower, stood out in the line.

NORTH CAROLINA

Did someone mention thrills? This game was really packed with them. The Greenies finally came through in the last minute for a 14-13 victory, but it was close! Jim Lelanne played his last game against the Wave in his true form—he was a deadly threat all afternoon with his precision passes. The game see-sawed back and forth with first the Wave leading, and then the Tar Heels. Tulane's first score came when Bubber Ely returned a punt to the Carolina 15-yard stripe. Then successive plays by Gloden and Bob Glass with Bob fumbling the ball over the goal line from the five and Grush recovering netted six points. Glass converted. Lelanne got hot and on successive passes to Severin and Dunkle put the Tar Heels back in the running with six points. He refused to let things idle, and soon afterwards scored himself on a four-yard run. The Greenies pulled the game out of the fire when, in the closing minutes, Tom Glass and Fred Brekke blocked a punt that Al Bodney recovered for another score. Jimmy Thibaut came through with the winning point.
The Wave turned on old-time power to crush Clemson's Tigers 13-0. This battle was featured by Lou Thomas' 41-yard run from scrimmage, and by the outstanding play of Al Bodney and Fred Gloden. The Tigers had high hopes of avenging last year's 7-6 defeat, and of running their streak to fourteen wins, but the Wave dashed these hopes far up on the island of despair. Fans were thrilled by the vast improvement in play and in spirit, and looked forward hopefully to 'Bama next week.

ALABAMA

That Birmingham jinx will have to rest for two more years. The Greenies seem to have a strange feeling every time they get near Legion Field, so 'Bama licked the Wave 13-6. This was the most colossal series of bad breaks the Wave had encountered in the entire season thus far. Before they could become acclimated, the Tide had scored not once, but twice. Breaking all tradition, the Wave scored on a pass after the ball had been worked closer and closer to the goal line by alternate running and passing plays. Even the Tidemen admitted after the game that they didn't deserve it.
ANOTHER WIN
ANOTHER LOSS

Cassibry kicks out of danger from behind goal
TWO MORE WINS

GEORGIA

The Wave surged back in the last half to give the old grads a Homecoming victory. The Bulldogs started early, and took a lone touchdown lead as a result of sophomore Frankie Sinkwich's passing, but the Greenies were right back in the game when Stern intercepted a pass deep in Georgia territory, and Hays scored a few plays later on a nice broken-field run. The Georgians came back on a beautiful kick-off return by sophomore Lamar Davis through the Wave team. The Bulldogs held the lead until Bubber Ely came in the game in the fourth quarter to spark the Wave to victory. Ely undoubtedly gave the Greenies the touch they needed, and in spite of a taped-up thumb he played his most brilliant game and outshone all others. On a series of pass plays the Wave put the ball on the 8-yard line, and Glodri carried it over from there. Thomas converted. Soon afterwards, the Wave put the game on ice when after Bodney had picked up 13 yards on an end-around, Cassibry went through for the score, and then converted. Tulane, 21; Georgia, 13.

LOUISIANA NORMAL

The Wave had its only breather here, and won 47-0. The first team played the first quarter and Hays scored twice in this time. After that Sims, Lou Thomas, Sauer, McDonald, and Mullin each scored once. The Greenies had a free hand, and several long runs were reeled off, but the top thrill of the day came when in the last seconds of the game, the Wave scored its final points on a lateral-forward pass play in which St. John Smith lateraled to Pracko who threw a pass to Mullin, and Mullin fell over for the score.
Fred Gladen hits the center of the line

Bob Glass tries off tackle against Georgia
LOUISIANA STATE

This was the heart-breaker of the season. The Bayou Bengals whipped the Wave 14-0. The Tigers played superb ball, and the Greenies were definitely off form. Tulane was never able to get going, as a result of the hard-charging Tiger forward wall which smothered every play at the line of scrimmage. The game was hard fought, and the spirit of the crowd was strong but not unruly as it had been sometimes in the past. The Tigers well deserved to win, and Adrian Dodson's 88-yard run was one of the best seen at Tiger stadium in a long time. The Tigers had many stars that day, and the Greenies had their share in Thibaut, Hays, Ely, Bodney, Mandich, and Dufour. The Wave
lacked the pep that they had shown in recent games, and the fight that had dominated since the first game was not up to par. The season ended with that final whistle, and every Tulane fan had learned one bitter lesson: never put too much faith in pre-season crystal gazing. Too many things can happen that are not in the books.

* *

JACK TITLE, Guard
HENRI WOLBRETTE, Guard

THE WAVE TACKLES TIGER
BASKETBALL

The Greenie Cagers had the finest season in many years, finishing the season in sixth place in the conference. They played Kentucky in the second round of the conference tournament, and lost. However, the Wildcats went on to the finals so the loss was no disgrace.

With Johnny McGee leading the offense, and for part of the season leading the conference in scoring, and Al Bodney leading the defense, the Wave made a creditable scoring in all games. The first team of McGee, Bodney, Mandich, Zengel and McWilliams was just about as good as any in the loop, but aside from Cy Carbon the reserves were not quite up to par, and this caused the Greenies to lose several times.

Tulane split the four-game home and home series with L. S. U., each taking the two games played on the opponent's home court. The Wave seemed to have more success away from home than on their own court all season.

</table>
In the first meet of the year, the Wave trackmen, sparked by White and Hays, won easily over Ole Miss by a score of 77-48.

Two weeks later Maunsell set the school record of six feet two inches in the high jump, but Bama's Kelly Horn went on to six feet seven and an eighth inches. This helped the Tide to chalk up a 65-47 victory, even though Millard White came through with his usual fifteen points.

When Tulane invaded L. S. U. the following week, Pete Golomb stole the show by winning the shot put over White. Other than that the Greenies did not produce much interesting copy for Tulane readers, dropping the meet 88-24.

At the Southwestern Relays, White won two contests for the Wave. Other point earners were Golomb, Maunsell, Hart, and McGee. White won our only points in the Texas Relays.

Came the Southeastern Conference Meet and Mrs. White's little boy copped two firsts: the shot and the discus. McGee, Golomb, and Vosburg also scored to bring Tulane up to seventh place.
TENNIS AT

Pare’s Greenie netmen started the season by downing the New Orleans Lawn Tennis Club, 5-1. Next, the Wave took on the Vanderbilt four and bowed to the gents from Tennessee by a score of 4-2. For the third straight match on home grounds the Tulane boys tied the Presbyterian team, each scoring three wins.

When Tulane invaded Tuscaloosa, they didn’t go just for the trip and came back home with a clean sweep over the Crimson Tide.

The Wave team liked the feeling which a 6-0 victory gave them so much that they repeated against Florida on the home courts.

A trip to Texas gave the young Wave more than they could do, and they only won one match against Rice, while Texas U. took all the glory.

L. S. U. was the final contestant, and mangled the Wave on both New Orleans and Baton Rouge courts. Tulane didn’t take a match in either meeting. The Wave won third place in the conference with seven points.

The team will lose only one man next year. But while George Schneider will be missing, two freshmen, Bill McGehee and Lou Schopfer, will add much stability to the talents of Mel Schwartzman, Roy Bartlett, and Luckett Yawn.

To the left, top to bottom: Mel Schwartzman, No. 1 position; George Schneider, No. 4 position. Below: Roy Bartlett, No. 2 position.
TULANE

HERMAN LOEB, Manager

EMMETT PARE, Coach

Lucket Yawn, No. 3 position

Squad
1940 BASEBALL

The Wave batsmen got off to a slow start by losing their first two games to one of the nation’s finest college clubs, the Minnesota Gophers. The next series was played against Northwestern, but in spite of some good fielding on the part of the Green Wave, the boys from the Illinois school swung too heavy a bat. The last series was played against the Tigers from the "Ole War Skule." After the Tigers had successfully handled the situation on their home field, they invaded the home...
of "Little Monk" and his boys. The Wave won the first game, which gave the spectators their money's worth, but dropped the second to the vengeful Tigers.

THE TEAM

Standing: James Thibaut, Short Stop; John Sims, Third Base; Walter Blessey, Pitcher; Albert Bodney, Left Field; Charles Dufour, First Base; Fred Cassibry, Pitcher; George Clay, Catcher; Claude "Little Monk" Simons, Coach.

Kneeling: Edward Cellos, Second Base; William O'Hara, Right Field; Leonard Bertolino, Right Field; Virgil Wheeler, Center Field; Fred Gloden, Center Field; Joe Johnson, Pitcher; Santiago Paniello, Manager.
The Greenie golfers played their first game at Oxford, but sadly missed beating the Ole Miss Rebels. The linksmen of Ole Miss finished with but one point margin over the Wave.

Although the Wave team, which was composed of Jack Daray, J. C. Rolfs, Harry Deas, and Jack Gordon, showed great possibilities, the L.S.U. Tigers made a clean sweep with the exception of one match. The only win for the Wave in this match was that of Rolfs over Bert McDowell.

The captain for the 1941 season will be Harry Deas, and golf fans are looking forward to a successful season.
The purpose of the Intramural Council is to encourage the entire male student body to participate in organized athletic sports, and also to encourage participation in wholesome, active and healthful recreation.

The Council shall therefore, organize and promote competition between individuals and groups of students and shall foster the spirit of fair play and sportsmanship between participants and spectators.

Alpha Epsilon Iota
We believe in the tenets of abiding truth which is the guiding star of our Order. We believe in the helping hand which is the bar which binds us in our calling. We believe in the unity of service to one another which lends to the weary a word of cheer, to the poor a portion of our share, to the weak a need of pity, to the stricken a voice of comfort, to the old a memory of youth, and to the wayfarer a help along to the journey's end. Our emblem will always be an inspiration to duty, remembering it stands for excellence in all things, purity of purpose and honesty of method and effort, with the blessing of an Alma Mater upon each who bears our badge of honor. May our lives lie among the stars which light the way to the great mystery, and may we so live that when we reach the end of the road we may find the veil, which parted leads to the heights of everlasting peace. Sic ad Astra!

COLLEGE
OF LAW
The Tulane Law Review is a legal periodical, published quarterly by the faculty and students of the College of Law. It is devoted to Civil Law, Comparative Law, and Statutory Interpretation. The Board of Editors is composed of honor students in the Junior and Senior classes of the College. Their function is to comment upon various phases of the law as well as recent decisions of the courts. They are assisted by a Board of Alumni Editors, a Board of Advisory Editors and a staff of Contributing Editors who represent the highest type of lawyers and legal scholars in this country and throughout the world.

The Board of Editors pride themselves upon their use of the comparative method of legal research, believing that to reveal the praiseworthy qualities as well as the shortcomings of different systems of law is an effective check upon tendencies to accept any one system as immutable.

Although most of the material published in the Review is written by members of the Board, its pages are open to all contributions which meet its standards of scholarship, research and literary style. In addition to the student material, the Review also contains articles of interest written by members of the legal profession.

Since its foundation in 1929 as the successor to the Southern Law Quarterly, the Tulane Law Review has become recognized in the United States and abroad as a leading journal of Civil and Comparative Law.
The Moot Court system in the College of Law is especially designed to train students in the preparation and argument of cases. It is this practical aspect of the legal profession towards which the efforts of the Competition are directed. Technical training in research, brief writing, and forensics, the ordinary tools in the trade of a lawyer, form the foundation of the moot court work.

The Board is composed of 12 ranking members of the Senior and Junior Classes. The work of the Board is to prepare the facts to be argued, to sit as justices on the Supreme Court of the State of Tulane, and generally to supervise and administer the Competition.

In the academic year 1939-40, The Moot Court Competition was won by Hugh M. Wilkinson, Jr., and Joseph J. Piccione. Their names were engraved on a marble plaque in the College of Law Library.

La Societe du Droit Civil was founded in 1938 by a group of Law students who were interested in extra-curricular research and discussion of Louisiana legal history and civil law. At stated intervals meetings are held at which papers are presented by members of the group, followed by general round table discussion by the other members and their guests. These papers are bound and placed in the Tulane Law Library. In the brief period of its existence, La Societe has made a marked contribution to Louisiana legal culture.

LOUISIANA BETA CHAPTER

Founded at Lehigh University in 1885.
Established at Tulane in 1936.
Colors: Seal Brown and White.

Purpose: To mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in Engineering, or by attainments as alumni in the field of Engineering, and to foster a spirit of liberal culture in the engineering colleges of America.

The members of Alpha Sigma Sigma are selected from the Junior Class of Newcomb College on the basis of scholarship, leadership, and school spirit. The organization carries on an extensive program of charitable and relief work, cooperating throughout the year with the student government officers and various campus organizations.

For kind cooperation in the publication of the 1941 "Jambalaya," the editorial staff pauses to express its deep appreciation to:

Messrs. W. A. Benson, R. G. Benson, Billy Benson, and Dan Eadie of the Benson Printing Co.; Mr. Robert B. Faerber and Mr. Roy Hickman of the Alabama Engraving Co.

Mr. Kendall Cram and Miss Ann Pendergast of the Student Activities office for their entire cooperation. The office staffs of the various departments of the University.

Mrs. Hazel Ogden of the MAISON BLANCHE STUDIO for class panel photographs, views, and "beauties." Mr. Leon Trice for athletic snapshot photography. Mr. O. M. Gwin for candid snapshots. Mr. Dan Leyrer for Theatre photography.

And to all others who have assisted in the successful publication of this volume.

Move the Mayflower Way

MAGNOLIA 5353!

Douglas Warehouses offer you Mayflower nation-wide moving service—the easy, trouble-free way to transport your household goods from any place to anywhere in the United States, or, to or from Canada.

Careful drivers—trained in the company’s own school—know how to load, unload, and arrange your finest furniture.

Vans are owned by Mayflower and built by them especially to protect household goods during long distance moving.

Mayflower and Douglas take the undivided responsibility for safe delivery of your possessions. Affiliated warehouses in all principal cities.

Dear Miss Nix:

I am a senior in college and have been chasing one girl steadily for the past eight years. She tells me every night that I am the only one for her and yet she continually stands me up and late dates me. What shall I do?

Jack Carrere.

My dear young man, you are beyond all possible aid. Please don’t bother me any more.

Dorothy Nix.

TWADDLER

Let's review the accomplishments of that young fellow, Cupid. He did pretty well. In some cases, we find the "real thing," in others, "fascination," and in others [here's the point] "a guy foolin' a gal!" . . . tsk-tsk-tsk.

There's Mary C., and Archie B. Don't ask us—your guess is as good as ours. One thing is sure. Must Miss Mary C. help the editor every Sunday nite at the Hulls office? Oh yes, there's "High School Harry" Lathrop and a newcomer named Sue Hill. High School says she's tops and we think he's right, even to the extent of pinning her—which he did, by the way, but was—how long?

Notable in achievements was the strict observance of forty days of "fast and fume" by the Betos. Who says the age of miracles has passed?

How about it, Paul, will the "Brawl Ban" bar our bats for next year? The K. A.'s are getting so desperate without these parties that they hold their meeting down at the Napoleon House.

The ball of the Commerce School tried a new system this year to get the nonchalant males interested. After one of the girls had knocked her books on the floor three straight days, the lad who was receiving these advances discovered that the girl was doing it "on purpose." "Fair Maid," he asked, "would you like to have your books picked up again?" "Whereupon the comedy line squeaked, "Why yes," and the boy, commonly known in the Sigma Chi Circle as "Judge C. P.," answered "Pick them up yourself. I seen ya knock 'em off!" . . . These high (error) school tactics usually work on the Commercial bugs, gals.

We understand that Connie Meyer, the Boy Scout [now working to get his First Class rating], and Bob [Peanut] Parker are in the gator-al language of the Naval Unit. "Has been." Ha ha ha ha he ha ha ha ha ha ha—or were you laughing?

Some stock (common or preferred) in the Napoleon House. Signed, The Betas.
A reason for the urchin. To give away for nothing; one underworked editor. Signed, The Hulla-baloo.
Some new and different methods of getting around the rushing rules. Signed, The Sigma Chi's.
Someone who can convince our local merchants of the advertising value in the "Friday morning excuse." Signed, Buddy Kepper and Warren Stern.
Another gal whose been passed around as much as Letty. Signed, The Pikes.
To Swap: Our bunch of "nics" boys for some more of the old regulars. We are losing our good name as the Knights of Alcohol. Signed, The K. A.'s.
A solution to the Balkan trouble. Signed Basil "we-are-not-afraid-to-fight" Rusovich.
A good voice teacher. Signed, Oliver Clarke.
Something to say about the Phi Deltas, good, bad—just something to say.
A good preparatory school for one lazy newspaper editor who wants to follow in his brother's footsteps. Female instructor preferred if she can teach like Mary. Signed, Archibald.

Calling all Collegians

For More Fun in '41 and '42!
Whenever there's something on that the whole gang's going to—get them together and charter a bus. You'll have double the fun with no trouble. It's the perfect solution to the transportation problem for sorority and fraternity picnics . . . school outings . . . class field trips . . . sports events . . . You'll find this service answers many needs. For any event, you'll find you can save time, trouble and bother by letting us worry about transportation and parking . . . And remember—rain or shine—"it's always fair weather when good friends get together."

THE VOICE OF TULANE

Question: What do you think of a three-hundred-pound football team?

Jack McMillan, sophomore, commerce, assistant sports editor of the "Hullabaloo": "I personally think that such a team would be a definite asset, indeed a benefit for the school both morally and physically if not mentally. In short, I like the idea both morally and physically and also mentally."

Theo Middleton, junior, College of Arts and Sciences, assistant stooge to McMillan: "The chief is right both morally and physically. And another thing, it is to the advantage of national defense that we train our young heavyweights. Imagine what terror would strike the hearts of our enemies when they look up and see themselves being attacked by the mighty mastodons of Tulane."

Lowell Potter Dawson, head football coach: "I too think the idea wonderful. At any rate the team couldn't be any worse than the lightweight aggregation I turned out last year. If the idea goes through I hope to be able to recruit the entire line from the young ladies of the Commerce School. These belles should be a definite asset to any football team, that is mentally and physically but not morally."
THE SWAMP THAT BECAME A MINE

In 1933 and 1934, the noise and clatter of construction machinery replaced the croak of the bullfrog and the cry of the gull on a lonely section of Plaquemines Parish marshland.

A great power plant, capable of heating 3,000,000 gallons of water a day for the Frasch sulphur mining process, was built on piling sunk into the swamp that had been considered worthless for anything except hunting and trapping. A canal was dredged, pipelines laid, reservoirs and auxiliary buildings constructed, wells drilled.

For, although the existence of sulphur had been shown by earlier tests, this entire investment had to be made in order to determine definitely whether the sulphur could be mined commercially from beneath the marshland.

The successful transformation of swamp into mine, however, not only has given the nation a new source of an essential raw material, but also has contributed to the progress of Louisiana by assuring readily available, low cost supplies of sulphur for the State's growing industries. Such progress means new job opportunities for Louisiana youth, larger payrolls, and higher general standard of living.

Dear Miss Nix:

I am a rather pretty girl of seventeen or less, as far as I know I have no faults and those that I do have are minor. Yet in spite of this I have never had more than twenty dates a week. What can be the matter? Is it that my best friends won’t tell me?

Betty Stevens.

Good Gawd! What more do you want?

Dorothy Nix.

Dear Miss Nix:

I am a harmless young man of twenty and have been searching for a girl, any girl, for the past five years. For some unexplainable reason I have met with no success. What is wrong?

Sam Moody.

My dear young man: The secret of your failure is that you are self-admittedly harmless. In other words you and everyone else know this fact. Young man, your reputation is against you.

Dorothy Nix.
Dear Miss Nix:

I am a very prominent figure on the campus. I am editor of the weekly paper and a scholar in the College of Legal Knowledge, as I call it, so you see, I am really a catch. But why is it that the girl I like prefers an insignificant freshman.

Sincerely,

Heartbroken.

My dear sir, your problem is a unique one, and I am afraid I cannot help you. Perhaps you lack that certain OOMPH.

Regrettfully,

Dorothy Nix.
